BORON

### BORON to power new ICBM's?

Missile experts say gigantic new ICBM's like the Titan may be the beginning step for extended manned satellite stations or manned flight around the moon and back to earth. Future rockets like the Titan, carrying men into space or atomic warheads across seas, will use powerful high-performance fuels like boron.

### what **BORON** will do in your car...

Now DX Sunray harnesses the power of boron for your car.

DX Boron Gasoline-one of the century's greatest fuel discoveriesbrings you a new world of smoothness and increased mileage. It keeps your spark plugs and carburetor clean. It gives you upper-cylinder lubrication free. It will not knock. Guaranteed to be better than any other gasoline or your money back.

So watch for the red Boron rocket. It points to the start of a powerful friendship with DX Boron and your DX Dealer.

A million motorists can't be wrong!
