CARDS OF THANKS

THANKS TO Dr. Wilson and Dr. Waters, Sisters and nurses; also to my relatives, neighbors and friends for their calls, cards, letters and gifts; also for the prayers, to those who visited me at St. Anthony's hospital and since my return home. Your kind thoughtfulness will always be remembered.

Your thoughtfulness has brought me much pleasure and a memory to be cherished, so thanks so much.

"IN LOVING MEMORY"

Gone is the face, we loved so dear; Silent is the voice we loved to hear; Too far away for sight or speech; But not too far for thought to reach; Sweet to remember though once here; and though absent just as dear. In memory of our dear wife and mother who passed away one year ago.

Mrs. Harold Osborn Writes from Lynch

(Editor's note: This is a letter received from one of the Frontier's many correspondents, Mrs. Harold Osborn. She did not request that we print the letter but we are doing so in an attempt to help her secure more and more news.)
"Happy New Year to all the Frontier readers. I'm sorry to be late with my greeting, but the flu bug bit your correspondent and she was down for several days. Hope that all you good readers that have written to me and complimented me on trying to keep you up with the news in this community will enjoy the news more for not having had any last week. You know it is hard for any correspondent to get news together unless you can have the wholehearted support of the patrons who make up the community. I know some don't even pause long enough in their occupations to even think of those that have lived here, and still love to hear from the home community — it means a lot to those away from the home community to know what is going on, where you've spent the

holidays or weekends, the programs, church activities, clubs

Now if we would all just make and so on.
A resolution to try to put a ray of sunshine in someone's life, by passing on a little news, we also might find it will add a little beam of sunlight to our own lives.
Thanking you,
A happy New Year to all the Frontier staff
Sincerely,
Mrs. Harold Osborn

By Mrs. Harold Osborn
This community was hit by a blinding snowstorm on Thursday. Some snow had fallen before this. The wind accompanied this snow fall to such a degree that it was nearly zero visibility at times. The wind kept getting stronger from the middle of the afternoon until evening and it kept up all night with drifts that caused trouble to most of the farmers in their livestock feeding operations. New Year was spent at home by most in the community, some of the patrons had to seek refuge at neighbors for the night on New Year's eve due to poor visibility, which they encountered when returning from New Year's celebrations.

The mailman could not make his route and no doubt will not be able to until the roads are opened by the snow plows.
