Stop bindweed now with Du Pont TRYSBEN® 200

(creeping jenny, possession vine, morning glory)

WEED KILLER

Make this your year to control field bindweed effectively and economically with a new liquid weed killer—Du Pont "Trysben" 200. Spraying with "Trysben" 200 gives excellent control of bindweed and keeps this deep-rooted pest from taking over your valuable land.

"Trysben" 200 attacks bindweed two ways, through the leaves and through the roots. Successful trials in many states where deep-rooted, perennial weeds are a problem have shown that areas sprayed with "Trysben" 200 stay free of bindweed and similar noxious weeds that are hard to control with other chemicals.

TRYSBEN® 200 also controls

- RUSSIAN KNAFWEED
- BUR RAGWEED
- CANADA THISTLE
- LEAFY SPURGE

Du Pont "Trysben" 200 controls a wide variety of hard-to-kill broadleaf weeds and also woody vines such as trumpet vine and certain kinds of brush.

"Trysben" 200 is a highly effective weed killer of the benzoic acid group. Economical and easy to use, it is a liquid to be diluted with water for spray application. See your dealer for a supply of Du Pont "Trysben" 200 800P.

E. I. du Pont de Nemours & Co. (Inc.)
Industrial and Biochemicals Department
Wilmington 98, Delaware

On all chemicals, follow label instructions and warnings carefully.
