ELECT... DAVE MARTIN to Congress
"A Goldwater Republican and proud of the label!"

Martin-for-Congress Comm., W. D. Richardson, Treas., Kearney, Nebr.

First of a thousand happy hours!

Forgive him if he takes the long way home today. For the temptation is always great when the day is fine—and the car is Cadillac—and the name on the title is yours.

The first thing he senses, as he glides out onto the boulevard, is *comfort*. The car is so generous in its interior dimensions that he can really relax.

And what a wonderful outlook he has on the world about him! Wherever he looks, he finds himself surrounded by a panorama of vision.

Then, as the miles float by, the car's brilliance in motion begins to unfold.

Cadillac's improved power steering, he finds, has taken the last degree of effort out of handling. Its great new engine is a veritable symphony of con- trolled power and precision. And its new ride is smooth and quiet almost beyond belief.

And the wonder of it is that, if he is like most owners, he'll enjoy more than a *thousand* such delightful hours before a single year has passed.

In fact, it is *doubtful* that, in all the world of possessions, there is another that provides its owner such lasting pleasure—in such constant measure—as a new Cadillac car.

Have you thought of someday adding a Cadillac to your happiness?

This is the perfect season—and an early order will assure you a full year with the current model. Reason enough, we'd say, to visit your authorized Cadillac dealer tomorrow.
