Regents Honors Won By Koenig, Rosenkrans

Angela Koenig of St. Mary's academy and Marion Rosenkrans of O'Neill high school are the winners of the Regents scholarship for the University of Nebras-

These students will be given free tuition a full year at the University which can be renewed at the end of the year if a certain average is maintained during the year and if the students obtain a specified grade in a special test.

Miss Koenig is the daughter of Mr. and Mrs. Edward Koenig of Butte. Miss Rosenkrans is the

ANGELA KOENIG daughter of Mr. and Mrs. Roger Rosenkrans of Lynch. Alternates have not yet been

announced at the academy. At O'Neill high, Gary Jeffrey, son of Mr. and Mrs. Dean Jeffrey of O'Neill, has been named alternate.

These Words May be **Closer to The Truth**

During the holiday season the 4-year-old paid close attention to various Christmas songs she heard on radio and TV . . . and finally tried singing some of them. Perhaps it was an acute ob-

servation on the "good old days," but the words came out like this: "Oh, what fun it is to ride in one more open sleigh?"

Blizzard Club To Hold 73rd **Annual Meet**

Survivors of the 1888 blizzard will meet January 14 at the YWCA in Lincoln for a noon luncheon meeting at which time they will pay tribute to those who gave up their lives in this country's worst storm. This will be the 73rd annual meeting of the survivors who call themselves members of the 1888 Blizzard club. The public is welcome to attend this meeting. Reservations must be sent by January 12 to R. V. Graff, 445 E. 6th St., Fremont.

TV Channel 13 Conversion to Cost About \$300

Television viewers in this area will have to wait for the transference of Channel 13 to 12, due to the fact that it is necessary for the whole antenna unit to be converted.

Previously, the city council had ordered three crystals from a Canadian manufacturing firm. The crystals were to be used in the switching of Chan-nel 13 to 12 to avoid station interference from Sioux Falls. However, the firm notified the council this week that the crystals would not be strong enough and that the unit must be changed.

City council members discussed the project at a meeting Tuesday evening. It was decided to further investigate the matter as there would be an approximate cost of \$300.

Other business brought up at the Tuesday meeting was the allowing of bills and the hiring of a consultant firm.
