12:00 Noon. On motion the Board adjourned until 1:00 P.M.

O'Neill, Nebr.
Jan. 10, 1961
1:00 P.M.

Holt County Board of Supervisors met as per adjournment. All members present.

Motion by Cronk, seconded by Ernst, that the following agreement be approved. Motion carried.

AGREEMENT
THIS AGREEMENT (Program), made and entered into by and between Holt county, hereinafter referred to as the "County," Party of the First Part, and the State of Nebraska, Department of Roads, hereinafter referred to as the "State," Party of the Second Part.

WITNESSETH:
WHEREAS, Federal funds have been made available by the Federal Aid Highway Act of 1944, and subsequent legislation, for the improvement of secondary and feeder roads located on a system of such roads selected by the Department of Roads in cooperation with the County Boards and the Bureau of Public Roads, and

WHEREAS, the Federal share payable on account of any project provided for by the funds made available under the provisions of this act shall not exceed 50 per centum of the construction and right of way costs thereof, and

WHEREAS, a system of secondary and feeder roads has been established in conjunction with the County Board of Holt county in accordance with the provisions of the above mentioned

Federal Aid Highway Act, and WHEREAS, the regulations for carrying into effect the provisions of the above act permit the use of funds other than State funds in matching Federal Funds for the improvement of those secondary roads, and

WHEREAS, Nebraska Legislative Bill No. 138, passed by the 1949 Legislature, became effective August 27, 1949 and permits certain changes in the established procedure of the construction of Federal Aid Secondary roads with respect to the responsibility of the State for the maintenance of roads constructed with Federal and or State funds, and

WHEREAS, the above mentioned Federal regulations for carrying into effect the provisions of the Federal Aid Highway Act of 1944 provided that the Federal share of the cost of any such projects undertaken under those provisions shall be paid only to the State, and

WHEREAS, the County has earmarked and placed in its fiscal budget \$1,000.00 for the construction of the following described Federal Aid Secondary Road, Beginning at the S. E. corner of Section 24, T. 29N., R. 10W., thence south 2 miles to the S. E. corner of Section 36, T. 29N., R. 10W.

Identified as Project No. S-50 (3) NOW THEREFORE, in consideration of these facts the parties hereto agree as follows:

SECTION 1. The county, with such assistance as may be necessary or required from the State, agrees to make the necessary preliminary survey and prepare the necessary plans, specifications and estimates for the proposed work. All engineering services furnished by the State in this connection shall be considered as a part of the cost of the project and the States expenses therein shall be deducted prior to reimbursement to the County.

SECTION 2. Contracts for any new or additional right of way or material pits shall be obtained and paid for by the County. In the event Federal funds are requested for such items then the procedure as outlined in Policy and Procedure Memorandum No. 21-41 shall be followed. All monies received from the Federal Government for such items shall be remitted to the County after

the deduction of State expenses, if any, has been made.

SECTION 3. The County, utilizing such additional engineering services as may be furnished by the State, agrees to provide the necessary engineering personnel for the supervision and inspection of the construction work, to make final measurements and to prepare all estimates. The cost of the engineering service, if any, furnished by the State shall be considered as a part of the cost of the project and the State shall be reimbursed for same prior to the remitting of Federal funds to the County.

SECTION 4. It is understood that all engineering services furnished and required for this project, whether by the County or the State, shall be presented to the Federal Government as a basis for Federal participation. Such monies received from the Federal Government in this connection shall be remitted to the County after the States expenses therein have been deducted. It is understood that the States expenses will not include any prorated or administrative costs, or expenses of administrative officials, in the cost of this project.

SECTION 5. The County agrees to locate and reference all sections cornered and required for construction of the proposed project.

SECTION 6. It is agreed that the selection of the project to be improved as provided herein is subject to the approval of the Bureau of Public Roads, and it is further agreed that the selection of low bidders and the awarding of a contract or contracts shall be conducted in by the County and the Bureau of Public Roads and said contract or contracts shall be signed jointly by the County and the State.

SECTION 7.
A Section 116 (c) of the Federal Aid Highway Act of 1956 provides that where a proposed Federal-Aid Highway project goes through any city, town or village or bypasses any city, town, or village, the opportunity shall be afforded for a public hearing, at which time the views of interested citizens will be heard and the economic aspects of the proposed project will be considered.

SECTION 8. The County agrees, in compliance with Section 116 (c) of the Federal Aid Highway Act of 1956 to make the preliminary arrangements for a public hearing

to be held at a time and place agreeable to representatives of the State and the Bureau of Public Roads.

C. If the proposed project contemplates only the improvement of an existing highway on a location within the limits of the existing right-of-way, and does not change the layout or function of the roads and streets that connect to the existing highway, then Section 116 (c) of the Federal Aid Highway Act of 1956 does not apply and Section 7, Sub Sections (A), (B), and (C) of this agreement are rendered null and void.

SECTION 8. In the event any part or portion of the work in the construction of this project is to be performed by the County on a direct labor basis, such work will be performed in accordance with a schedule of agreed unit prices and estimated quantities both of which have been approved by the County, the State and the Bureau of Public Roads. For such work the County will be paid all of the Federal funds received for the work less such deductions as may be made for State expenses. In the event the work is performed on a contract basis by a contractor selected as a low bidder then the County agrees, upon the signing of such a contract, to pay to the state 50% of the amount reflected in that or those contracts.

Regardless of the procedure involved in performing the work for this project, it is definitely understood

Congratulations To . . .

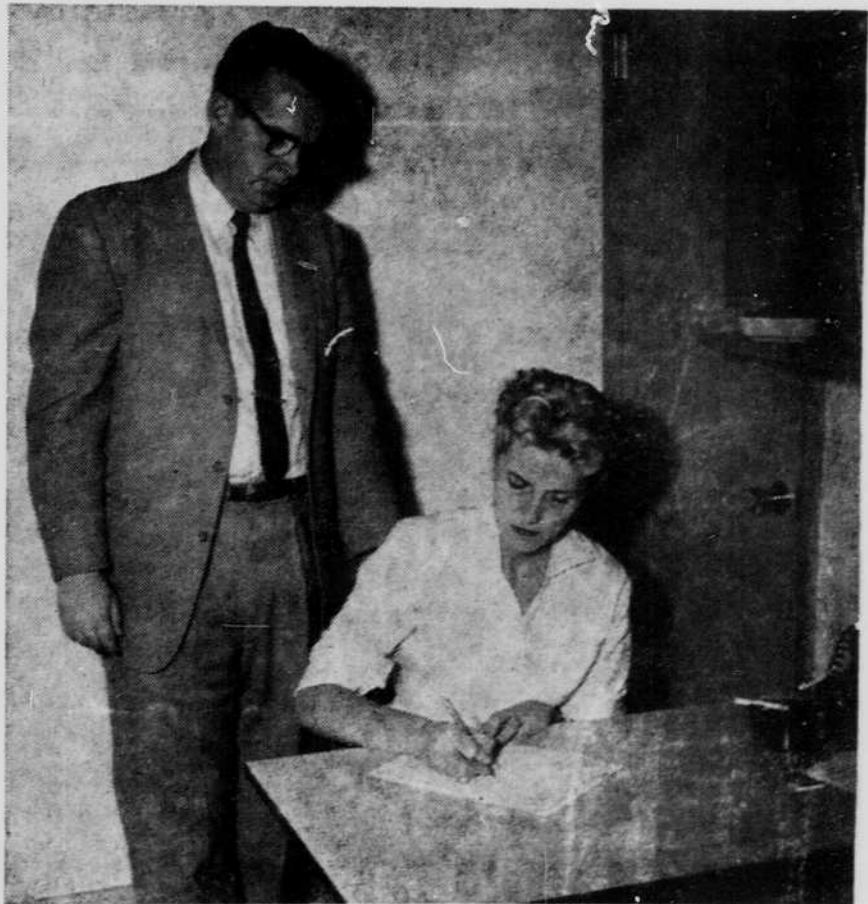

Dr. and Mrs.
C. M. Eason

on the opening
of their new
**ELECTRICALLY
HEATED
OFFICES**
at 620 E. Benton

. . . Another Step
Forward in the
Progress of O'Neill

This office is newer than tomorrow . . . because it features clean automatic ELECTRIC HEAT—the flameless heating wonder that has been enthusiastically endorsed by home builders and buyers. With ELECTRIC HEAT you can control the heat in each room individually and automatically. You save space because there is no need for fuel storage . . . and there is NO FURNACE!

Here's what Dr. and Mrs. Eason say — "We like electric heat because of its low cost of installation, comfort and constant temperature. Every piece of equipment and furniture is the same temperature as the room, with cleanliness, no dust and no blasts of hot air. All go to make our choice of electric heat one of the wisest decisions we made in the construction of our new office."

MAKE **Electricity** WORK FOR YOU

HOME
FARM
INDUSTRY

LIVE BETTER
FARM BETTER
WORK BETTER

During the nation-wide observance of NATIONAL ELECTRICAL WEEK, February 5-11, Consumers Public Power District joins with all other Electric Industries in dedicating a better, brighter Electrical future for all Nebraskans.

NATIONAL ELECTRICAL WEEK
FEB. 5-11, 1961

Electricity stands ready to do more in the way of improving the world in which we live, whether it is the world of business, science, medicine, research, entertainment. Electricity is ready to take on increased tasks on the job, in homes, on farms and in factories. Electricity and its abilities are boundless—they need only to be called upon to serve. Every employee of Consumers Public Power District is constantly on the alert to bring you dependable, low-cost Electricity . . . when and where you need it . . . today . . . tomorrow . . . always. Make Electricity work for you and remember . . . ELECTRICITY IS FLAMELESS!
