Wrappers?

Budget
Can't Stand
Expensive Foil?

**Use RAP-IN-WAX for FRESHER food
-at Family Prices!**

For fresher food at Family Prices...
Buy RAP-IN-WAX from your favorite grocer

If sticky, wrinkly, clinging wrappers have tied up your kitchen work . . . and expensive foil wraps are straining the family budget, use RAP-IN-WAX.

RAP-IN-WAX is double-coated on both sides. You never waste it because it's stronger and easier to handle. And it's four times less the cost of most foil wraps.
