Anhydrous Ammonia

We will have an abundant supply of the world's finest and lowest priced nitrogen for all our customers.

There has been some unethical competition in our territory whereby a dealer is selling nitrogen to our customers at a lower price than to his own customers.

Never-the-less we have decided to meet all competition. We have installed a new scale at the plant and have added several 1,000-gallon nurse tanks.

We solicit your nitrogen business.
