WE'RE OBSERVING THE

50th ANNIVERSARY

Of The M & M Bakery and Cafe

50 years ago when the M & M first opened its doors on July 6, 1911, O'Neill was just a bustling little prairie town. It was the time of the baking day, the bustle and kerosene lamps.

We've made progress along with the town and we are grateful for the confidence the folks of the community have had in us and we take this opportunity to express our thanks.

Pete Heriford shown above in the original bakery as it looked in its first year of operation when all the work was done by hand.
