It's the unity in a community that gets the job done

The job in Oshkosh...

A GROWING INDUSTRY

Community-wide effort, as demonstrated by the citizens of Oshkosh, proves that UNITY in the community produces progress.

Attracted by this unified effort, the MIDWEC CORPORATION, manufacturers of electronic equipment, located a plant in Oshkosh. It began operations about a year ago and now employs approximately 34 people.

Another factor that figured in the Midwec decision to locate in Oshkosh, according to company officials, was the availability of a dependable supply of low-cost electricity.

Interested in the growth and development of each of the 355 communities it serves, and of the state as a whole, Consumers Public Power District makes available every electrical power need for industry... for business... for the farm... and for the home.
