SPECIAL CATTLE SALE Monday, Oct. 30

We sure have some nice cattle listed for this sale but can use a lot more to supply the buyers that are coming now.

At the sale last Monday we sold over 600 hogs and 600 cattle. The cattle market was a steady to strong market with plenty of buyers to take all the cattle we had. Jim Gallagher sold 875 lb. steers at \$24.00.

The hog market was very active with the top at \$16.55 and went to Willard Scherer of Orchard and C. R. Bartak of Ewing. All the good hogs brought over \$16.25. Now that is 15c over Sioux City's extreme top for that day.

If you have any livestock to sell and want some of us to come out and tell you what we think it will bring on our market we will be glad to do so.

If you have never sold anything at the Ewing Livestock Market ask your neighbor or someone who has and you too will join our growing list of satisfied customers.
