NOTICE!
It is almost auto license time again. No licenses can be issued until January 2.
Business hours beginning January 2 for January and February will be open at 9:00, open during the noon hour and close at 4:00 p.m. These hours have proven very satisfactory in the past and enables us to get the mail out every day and keep up on the routine office work.
When sending in or coming in for licenses you must have the following:
Your 1961 registration certificate, all copies of the tax statements which you will receive from the assessor before January 1, the correct fee for the tax and the licenses for each vehicle to be licensed. If by mail add 20c for passenger cars and 10c for trucks for mailing charges. If you do not bring or send in your 1961 certificate I will have to write for it or \$1.00 extra fee for lost certificate. If your tax statement does not correspond with the vehicle to be registered or the township, village or school district are incorrect, send or bring the statement to the county assessor for correction.
All cabin or house trailers must have a permit for \$2.00 regardless whether the fee for highway use is obtained or not. To be used as stationary \$2.00 plus the tax. To be used on the highways \$10.00 fee plus the \$2.00 fee plus the tax. The \$2.00 permit must be obtained before March 1. All license fees are the same as for 1961.
Please do not forget your 1961 registration certificate when applying for your new license or for a transfer of licenses after January 1. Without it I must charge \$1.00 extra fee. These are laws which I have no control.
Let's keep Holt county a traffic fatality zero for 1962 and hope all other counties will do the same.
J. ED HANCOCK, County Treasurer
