THURSDAY MARCH 1

A & M Shoes announces A Sale with A Reason—and Not Just an Excuse. It's a bitter pill to swallow! But here's the low-down. It nearly breaks our hearts to see our huge stocks of quality merchandise go on sale at the ridiculously low prices you see advertised here! . . . But there's not much we can do about it for we have a serious inventory problem. We're overstocked with far too much merchandise for a store our size. We're not having financial difficulties—not trying to raise cash—nor are we in distress. We simply must dump huge surplus stocks at any cost to adjust our inventory. We have altogether too much of everything with a serious overstocked condition that is not healthy for any business. We're an

aggressive firm, maintaining an enviable reputation and selling only the top brand name lines. But—like all well-rated firms there comes a time when mistakes occur and adjustments are in order. That's why profit is not the object of this sale. Dumping stocks—reducing inventory and stimulating business is our only reason for this sudden and drastic move. We consider it good business to take our losses now—swallow our pride and admit our mistakes. Nothing wrong in that—is there? That's why we have ripped, cut and slashed prices in every department—why you can save 20%, 30%—yes, even 50%. So—come shed a tear with us while we bury our mistakes and take our losses.
