**Miss Corrine Brinker, Joseph Neckoliczak Wed in Butte Church**

**BUTTE**—The wedding of Miss Corrine Brinker, daughter of Mrs. Mae Brinker, Butte, and Joseph Neckoliczak, son of Mrs. Kathryn Neckoliczak, Greeley, was performed Saturday morning, Mar. 3, in St. Peter and Paul's church at Butte.

The Rev. Ted Nekoliczak, brother of the bridegroom, officiated. Music was furnished by the church choir.

The bride was escorted to the altar by her brother, Myron Brinker, and wore a taffeta gown designed with long tapered sleeves, scalloped jeweled Chantilly lace-trimmed high square neckline and fitted bodice. A lace crested bustle flowed into a chapel train. Her silk illusion veil was waist length and was held in place by a jeweled crown. She carried an orchid on a white prayer book.

Mrs. E. F. Adamson, sister of the bride, was matron of honor, and she wore a light blue silk illusion street length gown with a matching net head piece.

Serving his brother as best man was Lou Neckoliczak, Ushers were Vic Brinker and Lyle Kelly. Flower girl was Teresa Brinker, and ring bearer was Michael Klasna. Junior attendants were Ruth Jane Brinker and Charles McFadden.

A wedding dinner was served to 150 guests at the Legion hall. At the reception in the afternoon, Mrs. Myron Brinker presided at the coffee service, and Mrs. Lyle Kelly at the punch. Mrs. Vic Brinker and Mrs. Ed McFadden cut and served the cake. Mrs. Bill Brinker had charge of the gift table, and Miss Mary Janice Renter, the guest book.

After a wedding trip the couple will reside on a farm near Greeley.

**Patrons Requested to Clear Walks, Drives**

Ira H. Moss, postmaster, asks city mail delivery patrons for their cooperation in clearing sidewalks and entrances as soon as possible after snow storms in order that city delivery of mail may be restored quickly and completely.

Snow drifted sidewalks in the city make it difficult and in some cases impossible for the city carrier to make deliveries of mail. Local mail delivery requires foot carriers to walk 21 miles daily, and this cannot be covered with sidewalks and entrances to mail boxes clogged with snow and ice.

**HANDY HAUSFRAU**

The little woman popped the dinner into the oven, really proud of her clever improvising. Having lost the aluminum nails for the baked potatoes she had cut pieces of "aluminum" wire to insert in the spuds.

After dinner, pop noticed the strange pieces of wire and upon questioning discovered they were from his toolbox supply of liquid core solder.

He was the only one that got sick. Mom was on a diet.
