

Women Around the World

Some of you American ladies . . . and the men, too, like to look at other women. Take a look at these faces from around the world . . . can you picture how they live? What they cook? What type of personalities they have?

These are Women Around the World. You'll find brides, home-makers, businesswomen and just plain women pictured on this page. Would any of you ladies care to trade places with one of these Women Around the World?
