NOW! THE GREATEST TRACTOR TIRE OF THEM ALL

SUPER-TORQUE

Here's the first tire ever designed to handle the increased torque of modern tractors; the first tire with "Angle-Braced" tread to pull more in the field and wear longer on the road.

In comparison with famed Goodyear Traction Super-Grip, this great new tire has actually up to 40% more working rubber in each lug. It's the huskiest tire you can buy!

BUY TODAY! A YEAR TO PAY!

Don't let the lack of ready cash cause you to lose the savings new Super-Torques can bring in less slippage, less road wear, more traction, and longer carcass life.

Let us take your old tires as your down payment and then you may have as long as ONE FULL YEAR to pay the remaining balance. Check our Spring Trading Allowances, you'll be surprised how small the balance will be.

Stop in today! Take advantage of our long deals, and even longer terms.
