Three Major League Teams to See **Action; Six Minor Teams Formed**

Baseball is just around the corner in O'Neill and 160 boys were assigned to teams Monday night as leagues were formed for the

New players moving into town will be assigned to a team by the board. The board also will act on player shortages for any

After July 1 players may not move up or down from major or minor league teams. A forfeited game is the penalty for each infraction of the rule.

Coaches are responsible for conduct of team members and rules further require that all players must be on the bench when not needed on the playing

Following is a list of team personnel for each league. It has been suggested by league officials that participants in the league clip and save these lists.
