Ainsworth Canal Bid Opening Set

Construction Engineer R. L. Boyce announces that bids will be opened at 10 a.m. CST May 10, for construction of the second section of the Ainsworth Canal. The bids will be publicly opened and read in the conference room at the Ainsworth Project office. The second section of the Canal is 14.3 miles long as compared to the 7.7 mile section No. 1 currently under construction. This section will also be concrete lined. Among the requirements are 1,370,000 cubic yards of excavation, 38,000 cubic yards of concrete lining, 134,000 feet of treated bridge timber, and 2,000 tons of hay mulching. Time for completion is 950 calendar days. Award of the contract is expected in the latter part of May and will be made by the Assistant Commissioner and Chief Engineer, Denver.

Here's How to Catch Fish

Ed Thorin, who by his own admission is one of the better fishermen in the county, Sunday showed how it was done. Fishing from a boat in O'Donnell's lake near Inman, Thorin's daredevil became entangled with the line of a bank fisherman. As he sat in the boat untangling the lines, Thorin freed his lure and tossed it over the side while he straightened out the other line. Everything back in order, Thorin's companion Joe Tennis started to row away but Ed's line was caught again. When the ruckus was over the two fishermen boated a nine pound four ounce northern.
