

WELCOME TO THE . . .
DEDICATION SERVICES OF THE
**FIRST PRESBYTERIAN
CHURCH**
Sunday, June 17

The First Presbyterian Church, shown shortly after it was remodeled in 1913. Organized in 1882 when 13 persons gathered to sign a petition, the formal organization was approved January 14, 1883 at a meeting of 10 persons. The church basement was dug about 1900. In 1913 the first church was remodeled for the addition of a choir loft, pulpit, minister's study and other changes. The decision to build a new educational unit and sanctuary became official in November, 1954.
