Midgets Advance To Semi-Finals Of Tourney

The Legion Midgets of O'Neill fought their way through the first two rounds of action in the South half of District No. 2 competition in the State Legion Midget Tournament being played at Battle Creek.

In the first round of play on Sunday, the Midgets battled Packer for 11 innings before Jack Kelly's second single of the afternoon drove in Joe Shoemaker with the winning tally, and a 5-4 victory. Both teams were limited to three hits.

Dan Wolfe started for O'Neill and was relieved by Jim Troshynski in the fifth. But Ivan Hurley, who came on in the seventh, was given credit for the win in his four-inning relief stint. Sunday afternoon.

Junior Legion Falls To Plainview

Tournament hopes fell for the O'Neill Junior Legion at Plainview Monday evening when they were clobbered 17-4 in semi-final competition in the District 2 Junior Legion State Tournament. The local crew won in first-round action on Sunday, downing Bloomfield 8-2.

O'Neill pounded out eight hits, five of them in a row, and Denny Wentz pitched a four hitter in the Sunday evening opener. Sluggish Sam Knepper and shortstop Ray Belina both racked triples to lead the O'Neill offensive attack.

Whitney Mumm was the starter and loser for Bloomfield, he was relieved by Rod Eisenhour in the final frame.

Wentz struck out ten while walking five. The only extra-base blow off the veteran righthander was a double by third-baseman Greenwall in the seventh. Sunday evening.

Gary Klusman White-Washes Senators

Once again it was Gary Klusman's high-lifting action in this week's "T"-Shirt League. The White Sox right-hander tossed a no-hitter as his teammates clobbered the Senators 25-2. Loren SchAAF knocked two doubles and a single to lead the winners.

In other games this week, in somewhat closer contests, the Giants edged the Dodgers 3-2. Bobby Hovey pitched the win, Pat Mattern was the loser.

And the Yankees downed the Tigers 5-3 with Kelly Fahrer given credit for the victory. Terry Cleveland was charged with the loss.

In the final week of games, the Senators will challenge the Dodgers at the Phillies Field, the White Sox and Tigers will play at the North Field, West diamond, and the Giants will wind up their regular season play with the Yankees at the North Field, East diamond.

Braves Tops In Elkhorn Valley Final Standings

The O'Neill Braves swept their final two games this week to hold on to the number one position in the final standings of the Elkhorn Valley Little League.

Jerry Schmidt's Braves closed regular season play with a record of 13 wins and one loss. The only team to down the winners was second place Atkinson, with a 12-2 record.

The third-place O'Neill Cardinals ruined Atkinson's chances of a firstplace tie when they handed the runner-up their second loss. Atkinson's first defeat came at the hands of the Braves.

Butte, Spencer Sabin Clinics Are Success

Type I Sabin Oral Polio Vaccine was given to 3675 people from Boyd County and neighboring areas who visited the Spencer and Butte clinics Sunday, July 29. At both centers the administration of vaccine progressed smoothly as babies, children, parents and grandparents cooperated with this important mass inoculation of people. The schedule set up for the health program worked well.

A small reserve of vaccine for those unable to attend is on hand at two locations in Boyd County. It can be obtained at Dr. Joseph Davis's office, Lynch, and at Mo-hannah's Pharmacy, Butte.

Date of the second mass inoculation to stamp out polio will be September 9, 1962, at the same Boyd county locations.

Angus Field Day At Page Is Well Attended

In spite of a two inch rain the night before and a sudden downpour during the afternoon, the Nebraska Junior Angus Field Day was well attended Friday afternoon. About 200 4-H and FFA members, and adults attended the event held at the Triple B Angus Ranch southeast of Page. The Holt County Angus Association sponsored the Field Day.

Dean Hurlbut, national director of Junior Angus Activities had charge of the afternoon program. Frank Beelaert welcomed the crowd. All state Angus Association officers were present. They included President Vera Domeier, Sutton; vice president William Chavat, Omaha; and secretary-treasurer Percy Upton, Madison.

Four classes of Angus cattle were judged with contestants being divided into groups of men, women and juniors. Results were as follows:

In the women's contest Mrs. Tranel Green, Amelia, was first. Mrs. Harvey Krugman, O'Neill, second and Mrs. Gerald Snyder, O'Neill, third. There was a three-way tie in the men's contest with three contestants getting perfect scores. These top judges were Lionel Hekes, Page, John O'Brien, Tilden, and Darwin Williams, Clarks.

Top judges in the junior division were Bill Stoeger, North Platte, and John O'Brien Jr., Tilden, first place. Second place also was a tie between John Hammerlum, O'Neill; and John Yotav Jr., Wellfleet. Eric Garwood, Amelia, was in third place.

Each year the Holt County Angus Association presents awards to all 4-H and FFA members who have been purple ribbon winners with an exhibit. The awards for the 1961 show year were presented by President Harvey Krugman to Glen Miller, O'Neill; Gaylen Worden, Amelia; Marlene Garwood, Amelia; John Hammerlum, O'Neill; Walter Young, Jr., O'Neill; Marvin Dawes, Fairbury, and Becky Beelaert, Page. The awards this year were hand tooled leather belts with the individual's name on them.

Demonstrations on grooming and showmanship were given by Eddie Krugman, Lynch, and Nick Hammerlum, O'Neill.

Dean Hurlbut entertained the crowd by demonstrating "How Not to Show" which provided many laughs and then the 4-Hers pointed out the many things he did wrong while showing his calf.

Jess Cooper, field representative from Manhattan, Kan. spoke on "The Future of Angus". Following refreshments served by the Holt County Angus Association, prizes for the judging contests were presented.

Price-Support Relaxed for 1962 Wheat Crop

The U. S. Department of Agriculture today relaxed 1962-crop price support in wheat and other areas, preventing a demoralized market price for that otherwise would not be eligible for support.

Wheat rust in Nebraska and South Dakota has caused considerable light-weight hard winter wheat. The rust has been caused by above-normal rainfall just before the beginning of harvest in this area.

By broadening the eligibility requirements, price support will be made more generally available to farmers in these and other areas, preventing a demoralized market price for that quality of wheat and encouraging more orderly marketing.

The light-weight wheat included under the relaxed provisions will be "sample" grade on test weight only but no wheat testing less than 40 pounds per bushel will be eligible for support.

The light-weight wheat will be discounted below the minimum test weight (50 or 51 pounds a bushel, depending on class) for grade 5 wheat at the rate of cents for each pound through 45 pounds per bushel, and 6 cents for each pound thereafter for wheat having a test weight of 40 through 44 pounds per bushel.

This discount will be in addition to other required discounts and will be added to the discount of 9 cents per bushel for wheat grading No. 5 on test weight.

The low test weight wheat being included in the program is storable and is suitable for commercial use either as food or feed.
