A Poem From Mrs. Eby . . .

I John 1:9 If we confess our sins He is faithful and just to forgive us our sins and cleanse us from all unrighteousness. "Ye must be born again" don't mean signing a card, but birth involves a process that's always hard. Confessing our sins means honest heart digging deep in our yesterdays careless method of living. Letting Jesus come in and change our thinking, away from sordid thoughts this life is linking. These we can claim the promise He is faithful and just to forgive our past sins and help us to trust. He will wonderfully change with a right about face and help us believe by His marvelous grace. To reform society we must save souls of men. It can't be done with an eloquent pen, nor with compromising with the world of sin. But by first being right in the spirit within we must have peace in our hearts before peace in our nation, then peace will abide regardless of color. Martin Luther's thesis, "Salvation by Faith" is needed today in our confused world race. —Della Stuart Eby—

REGULAR SALE MONDAY, SEPT. 3

Had a good sale last Monday. Sold over 200 cattle and 450 hogs. Top on Butcher hogs at \$18.50. That is the same as Sioux City and Omaha that day. All the good hogs brought over \$18.00. The cattle market was about steady but water fills were very noticeable as of the hot weather. We will have more cattle from now on. Come in and see what they are worth if you have any to sell or not. We can use a lot more as the buyers are out in numbers after all classes. Be glad to come out and look at any you might have to sell. Some pastures are a little dry but the cattle are carrying more flesh this year. Could be a good time to sell some of those plainer kinds or yearling heifers. We appreciate your business and will do all we can to get you the most dollars possible for your stock.
