

Eagles Sparkle In 27-6 Win Over Valentine

The weather was warm in O'Neill on Friday, but Frost hit Valentine. The result was a 27-6 O'Neill High victory over the favored Badgers of Valentine on the Eagles' home field. The Frost was mentioned (and whom everyone seems to be talking about) is OHS senior Rich "Jack" Frost, who ran wild for 150 yards and three touchdowns in the season opener for both teams.

O'Neill won the toss and returned the opening kickoff to their own 38-yard line. Six plays later, junior halfback Larry Lieb carried the ball into pay-dirt from the 16 to open the scoring. The try for the extra point failed.

In the second quarter, the Eagles marched to the Valentine 26, but on fourth and eight, scabbback Ben Cool intercepted a Kurtz pass intended for Rich Frost and scampered 82 yards to account for the only Valentine scoring. The try for the extra point was no good.

The Eagles bounced right back, though, this time covering 60 yards in eight plays with Frost sweeping the end for the last 18 yards. A pass from quarterback Terry Kurtz to end Rich Hill was good for the extra, and O'Neill led at half-time by a 13-6 margin.

Valentine stormed back the second half, driving to the O'Neill 35-yard marker. But senior line-backer Ron Kallhoff stopped the drive when he intercepted a pass and raced 45 yards before being brought down. The Eagles then scored late in the third quarter when Frost swept across from the five. Kurtz carried across the extra point and O'Neill led 20-6.

The final O'Neill tally came in the fourth stanza when Rick Devall picked off a Badger pass. Again it was Frost scoring, this time on a two-yard plunge. Sophomore Ivan Hurley grabbed a Kurtz pass for the extra point.

The victorious Eagles moved the ball for 328 yards on the ground, but the big disappointment (and about the only one for O'Neill fans) was the failure to move the ball in the air. Senior Terry Kurtz could complete only four out of nine attempts behind good blocking, and the passing attack was limited to 24 yards.

When Valentine set their defense to stop the power running of fullback Steve Peterson, the pass receiving of Rich Hill and company, the Eagle halfbacks had a field day sweeping the ends. Starting halfbacks Frost and Lieb averaged 11 and nine yards, respectively, accounting for more than half of the team's total gains.

The Eagle defense was surprisingly tough, with Rich Hill, Dan Schaaf and Keith Krugman plugging the front line and line-backers Steve Peterson and Ron Kallhoff protecting the middle. Alert pass defenders picked off four Valentine aerial attempts, with Kallhoff accounting for two of them.

Coach Jim Taylor paraded 26 squad members into the opening game, including:

BACKS: Steve Peterson, Larry Lieb, Rich Frost, Terry Kurtz, Don Havranek, Dennis Wells, Ron Kallhoff and Bob Halstead.

ENDS: Gary Plessell, Rich Hill, Ivan Hurley, Larry Obst, Denny Drayton, and Dennis Spangler.

TACKLES: Charles Hill, Keith Krugman, Don Lindquist, John Baker and Gary Wettlaufer.

GUARDS: Greg Derickson, Kent Peterson, Brian Richter, Jay McCoy and Dan Schaaf.

CENTERS: Rick Devall and Dewey Newton.

Holy Trinity defeated Bloomfield 19-6 in their opener and will bring a team of fairly good sized linemen plus two fine running backs to town.

The Cards working overtime with a Sunday practice in order to shore up their faltering offense, have made a number of personnel changes. Left Mike McManus recovering from a leg injury and addition of Jerry Donohoe and Danny Wolfe to the first unit, the Cards hope to gain some offensive punch.

Lone casualty from the Stuart fray is Jim Sullivan who was shook up late in the game, but expects to be ready for action this week.

The meeting will be at the Town House, Wednesday, Sept. 19.

Delmar R. Sherafy, Executive secretary of the association, will open the meetings with introductions of staff members who will conduct the sessions. During the morning session, county Christmas Seal chairmen will study techniques of the Christmas Seal Campaign.

A general session in the afternoon includes topics on tuberculosis testing and the chest X-ray program. Legislation, research, medical education and respiratory diseases will be discussed. The current TB campaign to get everyone with a history of chest illness to be vaccinated this fall against Asian flu and the TB shortness of breath campaign, to be launched in the spring, are also included among program topics. Scout Area To Be Served by New Council

Starting January, 1963, Scouting in the Sandhills district will be serviced by the Overland Trails Council with headquarters in Grand Island. The six county area is presently part of the Covered Wagon Council with offices in Omaha.

The decision for this change was made by the District itself at a late August meeting at Bassett. In attendance were unit leaders, District Members, and Institutional Representatives of organizations sponsoring Scout units. The meeting was presided over by Judge William Smith, Jr. who is Sandhills District chairman.

The Covered Wagon Council has served the Sandhills District for 33 years but opened the way for re-alignment believing that in the long run boys would be better served by the Service Center closer to the District.

Scouting membership and activity have doubled in the Sandhills District in recent years and stand now at an all time high. The District includes Keya Paha, Boyd, Rock, Brown and Cherry Counties.

St. Mary's Academy traveled to Stuart last Friday night and suffered defeat in the opening game of the season by an 18-0 score.

The yet young Cards suffering from poor ball handling and eight fumbles could not stop the fired up Stuart team led by big Carl Clements.

SMA kicked off to Stuart and after gaining a first down on the Cards 47 they were forced to punt. The Cardinals fumbled the kick and Stuart recovered on the six yard line. Four plays later Krob got the touchdown on an end sweep.

Owen Donohoe returned the kickoff 43 yards to the Bronchos 37 yard line but poor ball handling and a hard charging Stuart line kept the Cards in tow.

Stuart was held to little gain the rest of the first half but twice the Cards relinquished their turn to advance the ball via first down fumbles recovered by the Bronchos.

Jim Sullivan returned the second half kickoff 15 yards to the 40 but once again fumbleitis hit and the Cards lost the ball on the next play. Stuart advanced to the 20 but the Cardinals held their ground and took over on downs, three tries advanced the ball but three yards and a fumble on the attempted punt gave the ball to Stuart on SMA's 40 yd.

line. After a 1 yard loss, Carl Clements, Stuart's workhorse, smashed up the middle and shook loose on a 41 yard touchdown scamper.

SMA started their only drive of the evening with Donohoe returning the kickoff 17 yards to the 36. Fine running by Norman Mudloff and a pass from Donohoe to Danny Wolfe moved the ball to Stuart's 35 yard line with the turn of the quarter. The Bronchos then put on a strong rush and SMA

lost ground on the next two plays. Donohoe punted to Stuart's 27 and from there the Bronchos marched 73 yards to paydirt with Clements getting the final two yards on a plunge to end the scoring with three minutes left to play.

It was the story of a light experienced line prevailing over the younger Cardinal hands in the forward wall. Stuart, led by last year's all-stater, George Bigelow, kept the Cards attack in trouble all night.

All was not dark in the Cards defeat, as defensively they performed well but inability to hang on to the ball kept the Cardinals defensive unit working overtime. As expected it was Clements bull like rushes that moved the ball for Stuart. Donohoe's passing arm was working well when he received the proper protection as he hit his target on all five attempts, with the receiver only dropping one.

BOUNTIFUL HOLT COUNTY SCENE is this picture of hay grown in the county this year. Heavy spring and summer rains that plagued farmer and rancher alike for nearly three months paid back much debt by providing one of the best and heaviest hay crops the county has seen in years.

EARLY, BIG AND GOOD, was the description hung on the Joe Bealart farm sale last week. Shown here is part of the crowd during the machinery sale. Auctioneer Roy Kirwan in white shirt and hat stands out above the crowd as he cries the sale. Other auctioneers, lost in the crowd, were Ed Thorin and Chuck Mahony. Bealart, who is moving to the West Coast, had a complete closing out sale including the corn in the field in the background. Conservative estimates placed the number of people attending the sale at well over 500 persons. Many buyers of cattle and hogs did not attend the machinery portion of the sale but waited their turn near the barns. This was another highly successful farm sale advertised through the Frontier's one-stop weather-insured farm sale service.
