Kilcoin Leads **Wayne State in Rushing Yards**

WAYNE - Freshman Jerry Kilcoin, O'Neill, zoomed into the lead of Nebraska College Conference scorers with a spectacular running show Friday as Wayne State beat Doane College, 55-14. His four touchdowns and an extra point, plus a touchdown in the previous game, gave him a 31 total, one ahead of teammate Burt Matthies, fullback from Stanton.

Halfback Kilcoin, a starter in all four of Wayne's games, also leads the team now in rushing yardage, with 259 - including 165 against Doane. And he is the top pass receiver, seven catches for 193 yards.

He electrified the crowd at Crete with touchdowns of 73 and 48 yards on rushing plays, 75 yards on a punt return, and 40 vards on a pass from quarterback Dean DeBuhr. On all four, Kilcoin demonstrated the finest broken field running that Wayne observers have seen in years. While he got some timely blocking, he had to make his own way after out-speeding his interference, then out-maneuvering the

Despite Kilcoin's performance, Coach John Jermier credited the win to team effort, and he found it hard to omit any players from his praise list.

Inman Couple Honored on Anniversary

What started out to be a family dinner at the home of Mr. and Mrs. Harvey A. Tompkins turned out to be a surprise anniversary party which more than

50 friends attended. Harvey, Lois, their daughter and son-in-law, Linelle and Ned Kelley, Milford, their sons, Roger, Allen and Neil, and their mothers, Mrs. Cora B. Caldwell, Utica, and Mrs. Ethel Tompkins, had hardly finished dinner in the Tompkins' home in honor of their 25th anniversary, when other guests began to arrive. The party, a complete surprise to no one but Harvey and Lois, was planned by their daughter. Linelle, assisted by her husband,

Ned, and the Tompkins' sons. The table for the family dinner was festive with a silver bell, a miniature bride, groom and cupid, and pink candles, all of which had graced the reception table at the wedding of Harvey and Lois in the home of Lois' parents at Utica, October 3, 1937. The Tompkins children presented their mother with a pink rose corsage and their father with a

white rose boutonniere. During the evening the guests were shown Lois' wedding gown and Harvey's wedding suit and their wedding books as well as the book of pictures taken at Linelle and Ned's wedding. Albert Reynolds showed slides of Linelle and Ned's wedding as

well as other slides Harvey had taken in Lincoln, Waverly and

District 14 PTA **Holds Annual** Conference

More than sixty persons from PTA organizations in district 14 met in Springview Wednesday for the annual conference, emphasizing the theme "Progress Through Action," in the afternoon

and evening sessions. Mrs. Ralph Beechner of Lincoln, and Mrs. Wm. Nickol of Scottsbluff, president and first vice-president of Nebraska Congress of P-TA and Mrs. James Newman of Stuart, president of the district, were present, and presented a skit "Why P-TA" at the afternoon meeting.

Mrs. Beechner spoke on "Leadership Tools", urging P-TA presidents to obtain materials from the state.

Highlight of the evening meeting was a panel discussion. Participating in this were H. L. McCoy, superintendent of the O'Neill high school, Dr. Allen Burkhardt, Norfolk, representative of State Reorganization committee, Senator Elvin Adamson, Cody, Mrs. Nichol, Mrs. Beechner and Mrs. Rollo Berry of Stuart.

Some possible legislation discussed was a bill to empower the State Board of Education to set up teacher certification standards for approval rather than legislative approval.

Compulsory driver training was also a subject of discussion. Most panelists doubt that this should be an obligation of the school. They were not in favor of it be-

ing made compulsory. H. L. McCoy, speaking as a representative of school superintendents, talked of the needs for great parental motivation with the youth of today. He also mentioned problems and needs of schools in general, concluding that all schools, no matter how small, must be on a competitive basis if they are to obtain qualified teachers in this era of a great teacher shortage.
