

Late Rally Gives Eagles 12-7 Win Over Burwell

O'NEILL	0	0	6	12
BURWELL	0	7	0	7

The OHS Eagles staged a two-touchdown second half rally Friday evening as they came from behind to beat Burwell 12-7. Seniors Rich Hill turned a fourth down situation in the third quarter into the turning point of the ball game when he grabbed a quick pass and raced 58 yards to score.

Neither team could muster a first half drive until Burwell intercepted an Eagle pass and returned it to the 35-yard line. With less than a minute remaining before half-time, Burwell quarterback Brian Hoppes spun across from seven yards out for the first touchdown of the game. A pass completed the extra point opportunity and the Eagles trailed 7-0 at the intermission. Any drive the O'Neill squad could get going was halted by penalties during the first two quarters of play as the Eagles were penalized 55 yards in the first half.

The visiting Longhorns held the OHS offensive efforts in the third quarter until the Eagles were confronted with fourth and four situation on their own 41-yard marker. Deciding to gamble, quarterback Terry Kurtz looped a quick pass over the Burwell defense that Rich Hill grabbed one-handed. The big fella trampled the Longhorn safety and thundered 58 yards for the touchdown. The try for the extra point was unsuccessful though and the local eleven still trailed 7-6.

The final OHS efforts came about with less than four minutes remaining in the contest when scabback Rich Frost returned a Burwell punt to midfield. A 21-yard sweep by Frost, a seven-yard pass to Plessell and another 12-yard toss to Hill gave the Eagles the ball on the seven-yard line. With 1:15 showing on the clock, quarterback Kurtz boot-legged around his left end and pitched to Frost who scampered across with the winning tally. The drive into the line was no good for the extra point but the 12-7 score was good for the sixth OHS win in their eight games.

Coach Taylor remarked that the Eagles were not nearly as sharp a ball club as they have been on previous occasions but the team came on strong when the chips were down. Coach Taylor singled out Ron Kallhoff, Gary Plessell and Don Havranek for their outstanding play on defense. Havranek's interception of a Longhorn pass halted an early Burwell drive in the first half.

Halfback Rich Frost averaged nearly eight yards per carry to lead the O'Neill offensive attack, while quarterback Kurtz completed 10 of 14 passes for 135 yards. Another big factor in the comeback victory was the versatility of Steve Peterson, who averaged three yards per carry from the fullback position and then filled in at the guard and tackle slots when the situation demanded.

VFW Auxiliary Holds Meeting

Regular monthly meeting in the Court House annex at 8 p.m. Preceding the meeting a pot luck supper was held. District pres. Luella Clingenpeel and her family were present for the supper and meeting.

The Gold Star mother's banquet which was held at Woody's Cafe was well attended. Each mother was presented with a corsage before dinner.

The district meeting was held in Valentine October 28. The Department of Nebraska VFW auxiliary president attended the meeting. Those attending from this area were Mr. and Mrs. Ray Tucker, Mr. and Mrs. Otto Sprague, Bill Glocke, Mrs. Anna Brown, Mrs. Albert Stoffer and Mrs. Norma Steele.

A thank you note was read from the V.A. hospital thanking the auxiliary for the decorated table napkins sent them.

It was voted to send \$10 to the V. A. hospital to help toward buying a TV set. Two dollars was sent to the Seaton Rapids for the Christmas seals that were received.

Decorated table napkins will be made for the veterans' hospital for Thanksgiving and Christmas. Mrs. Everett Staub and Mrs. Scofield will make arrangements for making them.

There will be a bake sale and bazaar held in December. Mrs. Hazel McKim is the chairman.

Agreement Is Signed by Two Power Firms

A second agreement to help eliminate conflicts between power distributors throughout the state was signed today by Consumers Public Power District and Niobrara Valley Electric Membership Corporation whose headquarters are at O'Neill.

This new ten year agreement specifically defines service in Holt and Boyd counties where each power distributor will offer electric service. It provides for the Niobrara Corporation building a new transmission line from Consumers hydro electric plant near Spencer to Butte which will replace an old existing line owned by Consumers. Both parties will use the line for delivery of power to their customers.

This agreement also provides for the transfer to Consumers of seven customers in a section of O'Neill that was recently annexed into the city limits.

This is the second service area agreement to be executed by Consumers within the last 30 days; the first being with the City of Gering. The objects of these agreements are to define areas where each would serve, thus eliminating duplication of lines, unnecessary costs, and conflicts for new customers.

The Nebraska Public Power Committee recently recommended to the Legislative Study Committee on Public Power that legislation be enacted by the 1963 Legislature to remove any possible doubt as to the legality of these service area agreements. The study committee has that recommendation under consideration.
