Rev. W. Simmer To Be Methodist Church Speaker

The Rev. W. C. Simmer, pastor of the First Methodist church at Wayne, will be the guest speaker at the O'Neill First Methodist church, Sunday evening, 7:30 p.m., November 18. The Rev. Mr. Simmer is director of Methodist Student work at Wayne State Teacher's college as well as be-

ing pastor of the Northeast District's largest Methodist church. Mr. Simmer's sermon topic for Sunday evening will be "The Leaven of the Loaf," and will strike along the line of Church renewal which he states is what college youth are concerned about. A cordial invitation is extended to the public. There will be an offering.

Canvass Shows One Vote Lead For Governor

Democrats take note! Holt county voters in the Nov. 6 election went Democratic in the governor's race by the barest of margins — one vote. This was disclosed Wednesday as the official canvassing board completed its check of balloting. Incumbent Frank Morrison received 2,483 votes while Republican Candidate Fred Seaton gathered 2,482. No races were changed as all voters had margins large enough to offset any minor errors. Absent and disabled voters' ballots added to 86 votes to the county total.

Chadron Rolls Over O'Neill For Rangeland Champ Title

The Chadron High Cardinals, currently tops on Class 'B' charts in the state, overpowered the O'Neill High Eagles for two touchdowns and capitalized on OHS errors for two more tallies to take top honors in the Rangeland Conference Championship on Saturday. The local eleven clicked for a second quarter touchdown to keep the contest close before the visitors broke away for a fourth-quarter score and the 26-7 victory. The Eagles received the opening kick-off but were forced to punt after their first series of downs. Chadron took the ball and staged a sustained march that covered 55 yards, with junior fullback Larry Gold scoring from a yard out. The placement attempt for a fourth-quarter score and the 26-7 victory. The Eagles received the opening kick-off but were forced to punt after their first series of downs. Chadron took the ball and staged a sustained march that covered 55 yards, with junior fullback Larry Gold scoring from a yard out. The placement attempt for a fourth-quarter score and the 26-7 victory.

Plessell pass set the Eagles up on the five-yard line. Fullback Ron Kallhoff carried to the one, and quarterback Kurtz cracked in on a keeper. Kurtz carried for the PAT and the Chadron lead was cut to 13-7. The Eagles kicked off, Chadron fumbled and O'Neill was right back in the ball game until Cardinals' halfback Terry Blundell scooped up the second Lieb fumble at midfield and ran it back for a touchdown. Again the extra point was unsuccessful and the visitors lead stood at 19-7. The OHS crew took to the air with time running out in the first half, and their efforts carried them to the 12-yard line before a fourth-down pass to Frost failed to click and Chadron took over. At halftime, the eleven OHS seniors for the last time in high school uniforms were honored on the annual Parent's Day program. The seniors — Rich Hill, Gary Plessell, Rich Frost, Steve Peterson, Ron Kallhoff, Terry Kurtz, Rick Devall, Dan Schaaf, Dennis Drayton, Don Lindquist and Gailey Young — and their parents received recognition and each player's mother was presented a white carnation by Coach Jim Taylor. The third-quarter battle was fought mostly at midfield, with neither team being able to muster an offensive drive, but midway through the final period the alert Blundell picked off an OHS pass and scampered 42 yards for the final tally of the game. The PAT was good and the final score rested at 26-7. A late pass to senior end Gary Plessell from 47 yards out was

O'Neill Women Attend 8 and 40 Meet at Oakdale

Eight and Forty partners of Madison County Salon No. 10 were entertained Thursday evening at a 7:30 dinner at Harold's Club in Oakdale with Mrs. Nell Bergman, Nan Lehr and Kenneth Bergstrom and Miss Lettie Jean Coulthard of Elgin as hostesses. The business session following the dinner was conducted by Mrs. Ervin Ashby, LeChapeau. The work of the Eight and Forty, as assigned by the American Legion, in the past has dealt with the prevention and control of tuberculosis in children. To this program, now has been added research and prevention of "Cystic Fibrosis". The group made plans for a no-host Christmas dinner meeting and gift exchange to be held in connection with the December parade. Each partner will also take a toy to be sent to the hospitalized children in the Nebraska State Hospital for the Tuberculous at Kearney.

O'Neill Rejects Transfers From Inman School

Applications to transfer students from Inman high school to O'Neill board of education Monday. Lack of room for the additional students was cited as the reason for the rejection. Some Inman students are already enrolled at St. Mary's academy. Inman patrons and school officials are involved in a hassle over the relative merits of grades versus athletics and as a result many of the parents are seeking to take their children to other schools. Lewis Kopecky, Inman board president, said plans are to keep the high school open despite state education board recommendations that it be closed. A temporary English teacher has been hired to handle English classes taught by Coach Bill Miller who was fired during the disagreement. The school recently was closed for a short time during the three cornered argument.

The 1963 wheat stabilization program provides wheat-diversion and additional price-support payments which supplement the marketing quotas and price support previously in effect for the 1963 Wheat Crop.

Wheat diversion payments are similar to those in effect for the 1962 wheat crop. They will be made to wheat farmers who reduce their wheat acreage by at least 20 per cent and put the diverted acres to an approved conservation use. As in 1962, farmers may receive half of their acreage-diversion payment at the time they sign up to participate in the program. A new feature for 1963-crop wheat will be an additional price-support payment of 18 cents per bushel on the normal production of the 1963 wheat acreage of farmers participating in the wheat-diversion program, provided they are also in compliance with their wheat allotment. This is a separate payment from the regular price-support loans and purchase agreements which will be available to growers who comply with their wheat acreage allotments. The regular price support will be based on a national average of \$1.82 per bushel. Officials cautioned farmers to be sure to divert the full acreage for which they sign up in the 1963 wheat stabilization program. A change from the 1962 program provides that if a farmer does not divert the full signed-up acreage, he will not be eligible for price support nor will he receive acreage-diversion or wheat price-support payments. Farmers may get in touch with their local ASCS county office regarding any questions they may have about the program.
