CUBS

This Saturday, March 2, Cubmaster Harvey Tompkins will have his Cub Scouts out distributing "Good Turn Bags". The den mothers will also play an important part in this good deed by taking the Cubs to the different parts of town. The Scouts urge the local citizens to fill these bags and extra boxes with materials of repairable condition that the handicapped workers at the Goodwill Industries can mend so that they can maintain their self respect by earning their own living and supporting their families without asking for charity. Look in your closets, basements, or any other storage space for articles to put in your "Good Turn Day Bag" throughout this next week. Let's all be a good scout and "Help the Handicapped to help themselves".

Anyone from the country who wishes to help in this project can pick up a sack at Kopecky's Hay Office or bring the materials in and leave them there before March 9. Remember, on Saturday, March 2, a Scout will leave a Good Turn Day bag at your door, in Inman. Please fill it and help the Cub and Boy Scouts help the handicapped through this critical material shortage period.
