Wet Weather Hampers O'Neill Track Squads

Damp and windy weather have hampered the early efforts of the O'Neill High track squad so far this spring. After battling stiff winds at Burwell last week the local team has been waiting for clear skies so they can participate in the Sandhills Relays at Bassett. The Rock County carnival was set for Tuesday (the 8th) but consistent rainfall has twice brought about postponement.

Coach Jim Taylor's cindermen made a strong showing in their opening meet at Burwell last Wednesday. The Eagles placed fourth among the nine teams entered in the Class 'A' division of the Wrangler Relays. The OHS 200-yard high hurdle shuttle relay team placed first with a 41.8 clocking on the windy track. Senior Lonnie McKim picked up the only other first place, pole vaulting 9' 10" for the gold medal.

The winning high hurdle relay team was composed of seniors Rich Frost, Rich Hill and Denny Drayton, and junior Larry Lieb. This same quartette tied for third in the 400-yard low hurdle shuttle relay.

Big Rich Hill picked up points in both weights as he placed second in the shot (47' 10") and third in the discus (133' 5"). Mick Miller placed fifth in the pole vault, clearing 9' 6" before being eliminated.

O'Neill's two-mile relay team picked up the fifth place ribbons. The team is made up of underclassmen Kent Peterson, Charlie Hill and Jerry Brockman and Junior Keith Krugman. The Eagles' 800-yard relay team, made up of Larry Lieb, Rich Frost, Don Havranek and Bob Halstead, placed fifth.

The stiff wind and wet track prevented any record-breaking performances. The Loup City team placed first in class 'A' with a total of 69 points. The runners-up:

Broken Bow	51
Ainsworth	38
O'Neill	30 1/2
Neligh	24 1/2
Ord	21
Burwell	18
St. Paul	16 1/2
Fullerton	6 1/2

Harvard won the first place trophy in Class B with 65 1/2 points. They were followed by:

Bassett	55 1/2
Ravenna	52
Springview	23
Stuart	21
Wheeler County	19 1/2
Atkinson	15
St. Mary's	13 1/2
Palmer	10

The St. Mary's points were picked up in the sprint medley (Gokie, Donohoe, Sullivan, Wolfe) which placed fourth, the low hurdle shuttle relay (Mudloff, Donohoe, Donohoe, Sullivan) that placed third, the 440 yard relay (Wolfe, Gokie, Sullivan, Donohoe) that took fourth place honors, and by Norm Modloff and Mick McManus in the field events.

The next meet the Eagles will be competing in, after the Sandhills Relays, will be the Ainsworth Invitational Meet on Friday, April 19.

There will be action on the local track this week when the Sandhills Gateway Meet is held on Tuesday. Then on Thursday the Three Rivers Conference Meet will also be held on the O'Neill High track.

Social Security Agent To Be At Butte April 18
James Hoffman, field representative of the Norfolk social security office will be in the Court Room of the Court House in Butte, from 8 a.m. to 1 p.m. on Thursday, April 18.

Anyone under 65 who is severely disabled should see his social security office for information about disability payments.

He is a 1962 graduate of O'Neill public high school.

Servicemen's Notes

Airman First Class Donald F. Roberts, Verdigris, Neb., has completed the United States Air Force technical training course for autopilot repairmen here.

Airman Roberts studied navigation, aerodynamics, hydraulics and electronics required in the inspection and maintenance of autopilot and electronic compass systems.

The airman, a graduate of Vienna (Ill.) High School, is the son of Mrs. Rose Roberts of 3440 Curwood Ave., Drayton Plains, Mich.

Airman Roberts is married to the former Shirley A. Scheinost, Verdigris.

Marine Lance Corporal Neal E. Kelley, son of Mr. and Mrs. J. E. Kelley, Inman, participated in a major amphibious exercise held March 2 through 10 off the coast of Southern California.

The exercise provided training for the men of the First Marine Division and the First Fleet.

More than 40 ships and 24,000 men took part in the exercise. It included antisubmarine operations, amphibious landings, replenishment at sea, mine warfare, aerial and subsurface reconnaissance, and Marine simulated combat operations ashore.

Army Pvt. Stanley E. Schmeichel, 18, son of Mr. and Mrs. Eugene G. Schmeichel, O'Neill, recently completed eight weeks of training as a Hawk missile crewman at The Air Defense Center, Fort Bliss, Tex.

Schmeichel entered the Army in October 1962 and received basic training at Fort Leonard Wood, Mo.

He is a 1962 graduate of O'Neill public high school.

Report from Washington

By Congressman Dave Martin Fourth District, Nebraska

We received the President's Message in regard to the Foreign Aid Program. He asked for \$4.5 billion for the coming fiscal year. Although since its inception in 1948, \$10 billion of the American taxpayers' money has been spent in this foreign give-away program. The Clay Committee Report, which was released about two weeks ago after a six months' study of this subject, recommended a real tightening in the operation of the program and a further reduction of \$500 million per year. The President recommended a reduction of \$400 million from his previous figures.

At the same time the President's Message to the Congress was received, I also received a letter from Congressman Otto Passman (Louisiana) who is Chairman of the Foreign Operations Subcommittee of the Appropriations Committee which handles the appropriation. He is aiming at a cut of \$2 billion in the funds requested for the continuation of this foreign give-away program, and he has serious doubts that our economy can continue to stand the strain. Let me give you some figures as supplied by Congressman Passman:

A. TOTAL AVAILABLE FOR EXPENDITURE	
1. Fiscal year 1960	\$ 8,111,521,750
2. Fiscal year 1961	8,551,215,000
3. Fiscal year 1962	10,078,319,114
4. Fiscal year 1963	11,141,987,000
B. ACTUAL EXPENDITURES	
1. Fiscal year 1960	3,265,400,000
2. Fiscal year 1961	3,276,600,000
3. Fiscal year 1962	3,198,100,000
C. UNEXPENDED FUNDS	
1. Unexpended fund June 30, 1960	4,830,549,000
2. Unexpended fund June 30, 1961	5,975,397,000

I WOULD LIKE to take this means to thank all my friends and relatives for the cards, gifts and visits during our stay in St. Anthony's hospital. A special thanks to Mother Frances and the other hospital staff. Each and every one was truly appreciated.

3. Unexpended fund June 30, 1962

6,889,186,000

"Funds not disbursed during fiscal 1963 will remain available in either obligated or reserved status. This practice accounts for the annual increase in unexpended funds. Certainly the annual expenditures do not justify this practice."

This fiscal year ends June 30, 1963. From the above figures, it appears that unexpended funds in this account will amount to almost \$9 billion. At the present rate of spending on the foreign aid program, this would last for 3 years. As I have stated many times: YOU CAN'T BUY FRIENDSHIP WITH AMERICAN DOLLARS. It is time to look after the welfare of the American taxpayer. THIS FOREIGN GIVE-AWAY PROGRAM SHOULD BE STOPPED.

The Cuban situation remains confused. We were told some weeks ago that the Russians were going to withdraw several thousand of their troops from Cuba by March 15. So far, we are told 3,000 have left. Combat trained elite troops of Russia remain on the island. We were told a clearer picture would emerge by the end of March. Well, March has passed but the only action that has been taken has been a sharp warning - not directed to the Russian Government - but to the poor Cubans who have attempted to inflict damage on Soviet shipping to Cuba and to start guerrilla action against Castro.

Now we find ourselves prohibiting the Cubans themselves from seeking to overthrow this Communist yoke which is sucking the life blood of the nation. In Vietnam it is all right for us to actively help the guerrillas, but different rules seem to apply in Cuba. THE MONROE DOCTRINE MUST BE ENFORCED. COMMUNISM MUST BE ERASED FROM THE WESTERN HEMISPHERE.

"SCHOOL DAYS ARE HERE AGAIN" for Nebraskans of the "Beef State" Company undergoing training at the U. S. Naval Training Center, San Diego, Calif. THE STANLEY JOHNSON RANCH CONSISTING OF 3,142 ACRES AND ALL PERSONAL PROPERTY SELLS AT AUCTION MONDAY, APR. 22 12:30 p.m.

At the ranch located, from Atkinson, 8 miles north, 4 miles east, then 8 miles north to the ranch entrance, or 12 miles south of Butte on No. 11 to first road south of Brush Creek then 3 miles west. Road will be marked.

We believe this to be one of the finest ranches offered for sale in this area in a long time. Located in an area where live springs supply a constant year around flow of fresh water to Brush and Triple Creeks and to the winter quarters. Upon inspection of the natural, nature-provided advantages, we think you'll agree this is truly a stockman's ranch in a most ideal location. The pastures are well cared for, never overstocked. A large portion of the meadows are wet meadows never ceasing to provide an ample feed supply under all climatic conditions. There is a spring fed pond well stocked with fish. Average yearly carrying capacity, 250 cows; 150 cows and yearling increase or 500 yearlings.

There is approximately 500 acres of native meadow and 40 acres of alfalfa. The balance is in 5 well-fenced pastures. The building site and stack yards, as well as the planted shelter belts, are well fenced and conveniently arranged. Live water is supplied in all pastures & all pastures have ideal shade along one of the creeks. A well graded, hard surfaced road leads from the ranch. Daily mail route and operating county school only 1/2 mile from the improvements. The ranch is served by REA and new underground Bell telephone system. Hunting and fishing is abundant the year around. All mineral rights included.

The improvements and winter quarters are located along the creek in one of the most protected spots you could hope to find. The residence is a three bedroom, 1 1/2 story frame house, modern except for heat. There is a living room, dining area, kitchen, bath and enclosed porch. Excellent garage, nearly new machine shed 28'x40'. Large barn with built-in feed bins in hay mow, equipped for milking with stanchions and insulated milk room. Three other buildings are used for feed storage and shed room. The corrals, sorting pens and loading chute adjoin the barn, and are all new within the last five years.

Ranch will be sold as a 3,142-acre unit or in any reasonable subdivisions thereof.

Possession - May 1 to May 10, 1963. The taxes are approximately 33 cents per acre.

TERMS - \$25,000.00 down payment, balance to contract at 4 1/2% annual interest. For further information regarding terms or for an appointment to inspect this ranch contact the owner, Stanley Johnson, Atkinson, phone 8371 or Fleming Realty, phone 7192 daytime or 6301 or 2184 evenings.
