Firemen were called out Tuesday morning where an old oil car had caught fire about 3 miles west of town, the remains of a train wreck some one and one half years ago being the site. Workmen were attempting to clean up the wreckage and sparks from a torch ignited the oil. Traffic on highway 275 along the north side of the track was slowed as billows of black smoke hindered visibility. There was no damage.

Churches in the community are observing holy week this week, the last week of lent. Special services are planned at the RLDS

church, Easter. Ten young people were confirmed at 10:30 services at Concordia Lutheran church Sunday with the Rev. D. L. Braumersreuther in charge. **In the tests that tear 'em apart ...
Ford durability conquers the field!**

Five times so far this year Ford-built cars have proved they're front-runners in performance and durability. In four out of five of the big, open competitive road and track events to date, mechanical failure forced many cars to quit. But Ford kept going—to win every time. It adds up to total performance—Ford's big edge on all the rest in stamina and durability. Drive one—at your Ford Dealer's.

THOSE FRONT-RUNNING FORDS!

RIVERSIDE "500"—January 20

'63 1/2 Super Torque Ford finished 1st.

MONTE CARLO—January 23

Special-edition Falcon Sprint finished 1-2 in its class in this 2,500-mile international classic.

PURE OIL TRIALS, Daytona—January 27

'63 1/2 Super Torque Ford took 1st place, Class I and II, in braking, acceleration, economy.

DAYTONA "500"—February 24

'63 1/2 Super Torque Ford finished 1st, 2nd, 3rd, 4th and 5th.

ATLANTA "500"—March 17

'63 1/2 Super Torque Ford finished 1st and 5th.

FOR PROOF THAT FORD CARS OUTPERFORM COMPETITION... **DRIVE ONE!**
