GRAND CHANCELLOR LOVE

Tendered a Brilliant Reception by Lincoln Knights of Pythias.

At the meeting of the Grand Lodge, K. of P. in session at Fremont this week, Sir Knight William H. Love of this city was selected as grand chancellor for the ensuing year. The return of Mr. Love to the city on Thursday evening was made the occasion of an informal reception tendered him by Capital City Lodge, No. 68, assisted by Knights of other lodges, about one hundred in all being at the depot to meet the returning brothers. A procession was formed at the depot, headed by the band, and it moved forward to the K. P. castle, corner O and Tenth streets, where an informal meeting was held, Sir Knight Joe Critchfield being called upon to preside. Speeches were made by W. J. Houston, Past Grand Chancellor O'Neill, W. H. Love, the newly elected grand chancellor, W. S. Hamilton, W. C. Lane and others. Taken all in all, the greeting to the new grand chancellor was most enthusiastic and fully in accord with the spirit usually shown in all Pythian matters in Lincoln. This city has been highly favored by the Grand Lodge, Knights of Pythias, having had six grand chancellors.

A CHANGE AT ODELLS.

A Short Order Bill to be Served Every Morning.

Commencing next Monday, October 15th, an improvement in the manner of serving the morning meal at Odell's popular dining hall will be inaugurated. Heretofore, patrons have been required to pay either twenty five cents or a ticket for each meal, and many have expressed a preference of taking breakfast on the European plan, i. e., paying just for what they want, instead of taking regular breakfast. The result is that Mr. Odell, who is ever watchful for the wants of his patrons, has decided to give the enterprise a trial, and accordingly each table hereafter will be supplied with a menu from which guests may order just what their appetites desire.

To the many who do not relish eating a hearty breakfast, this plan will be economical and provides a first class resort to dine at. The prices, as shown in the menu below are the lowest of any in the city, while the manner in which Odell's cooking is done should be ample inducement for everyone in the city to go there to enjoy their daily meals.
