### A NEW LODGE.

Organization of Lincoln Lodge No. 337. Independent Order B'nai B'rith.

An event of unusual interest and importance to Jewish people in Lincoln and vicinity was the organization last Sunday afternoon and evening of Lincoln Lodge No. 337, Independent order of B'nai B'rith (Sons of the Covenant).

The work of organizing Lincoln city lodge was performed by Grand President Samuel Taussig and Grand Secretary E. C. Ham-burgher of district No. 6, both gentlemen being from Chicago. They were assisted by thirty leading members of the Omaha lodge, with their ladies. Prominent among those from Omaha were Carl Brandeis, M. Holman and lady, I. Oberfelder, E. Weides and lady and Ferdinand Adler and lady. The new lodge starts its existence with twenty-five charter members, and is officered as follows: Monitor—Sig. Seligsohn. President—Louie Meyer. Vice president—Louis A. Kaensky. Recording secretary—Sol. Gotthelf. Financial secretary—M. Zunder. Treasurer—Isaac Friend. Inside guardian—Charles Poska. Outside guardian—Albert Katzenstein. Board of trustees—Charles Meyer, L. Herschler, and D. Hyman.

The objects of the organization are aid to Jewish emigrants, the support and education of those in want and to elevate the moral standard. There are 377 lodges of this order in existence at the present time, with a total membership of 26,000. After the institution of the Lincoln lodge, the members and visitors held a reception and banquet at K. P. hall, which was a most enjoyable conclusion to the ceremonies. The new lodge starts out with great promise, and bids fair to rank with any in the country.

Mr. I. A. Solomon, representing Fisher's "Cold Day" company, which appears at the Funke next Saturday in the city arranging preliminaries for this comedy event.

Miss Jessie Warrington, who has been a guest of her aunt, Mrs. C. C. Calkins, for the past month, returned home Thursday to Osaka, Iowa. Miss Jessie enjoyed a very pleasant time while here, and made many friends who will be pleased to welcome her on a future visit.

Mr. Harry Foresman, one of the best vocalists with the Johnson & Slavin minstrels, is a brother of our George, city ticket agent for the Elkhorn line. This is Mr. Foresman's first year on the road, and being the possessor of a fine voice and a good presence he is meeting with great success.

George F. Thiers, of the firm of Curtice & Thiers, has engaged a special artist, who in due course of time will call George "papa," and will no doubt manipulate the ivories in proper form. He arrived Sunday night, weight ten pounds, and friend. Thiers is the recipient of a host of congratulations.

The Young Ladies Mission of the Presbyterian church gave a causerie Wednesday evening, which was well attended and highly enjoyed. A causerie is where a conversation is carried on upon any subject, the interval of talk being five minutes upon each subject. Programs are used, with which the gentlemen make engagements with the ladies for conversation, changing and meeting their next partner after the five minute limit.

It is a debatable question whether Lincoln will ever have pure water again, notwithstanding the endeavor being made to secure a new source of supply, but there is no doubt that L. Meyer & Co., the north Tenth street merchants, keep one of the finest lines of goods in the city. Their huge sales compel them to keep a fresh stock of goods always on hand, and if you are in need of or wish anything in their line, don't forget to give them a call.

A meeting of clergymen and others interested was held at the First Congregational church last Friday evening for the purpose of organizing an auxiliary to the American Bible society. A constitution was adopted and arrangements were made for bringing the matter before the churches of the city, and to have each church name a member of the executive committee. This committee met last evening and completed the organization of the society.

Mr. H. K. Wolfe, who is well known in the city as a graduate of the state university, and who has spent several years in a thorough study of modern philosophy both in this country and the best educational centres of Europe, has recently been offered and has accepted a lectureship in the state university in that branch. It is understood that he will enter upon his duties about the first of the year, removing here from California, where he has been teaching the past year. The recognition given Mr. Wolfe is deserved, and the university has added to its list of instructors, many of whom are graduates of the institution.
