They Must Go.
 Mr. L. Barr, the jeweler whose store suffered in the common fate of the recent O street fire, has removed to 137 north Twelfth street and resumed business. Mr. Barr has decided to reduce his stock and is offering jewelry of all kinds at greatly reduced prices. He says the goods must go and he is making a big sacrifice to move them promptly. Those in need of anything in that line will find bargains at Barr's.

Fortune Follows a Fresno, Cal., Disaster.
 Bernard Heringh, a well known broker on Pine street between Montgomery and Sanson, is the father of a young man who will hereafter speak praise concerning the Louisiana State Lottery. A few days before the recent conflagration at Fresno he bought the one-twentieth part of ticket No. 42,758, for which he paid one dollar. His ticket No. 42,758 had drawn the first capital prize of \$200,000 in the Louisiana State Lottery, of which he was entitled to \$15,000. - San Francisco Call, Aug. 8.

Change is one of the irresistible laws of nature, and fortunately the change is almost invariably for the better. As an instance of this, St. Patrick's Pills are fast taking the place of the old harsh and violent cathartics, because they are milder and produce a pleasanter effect, besides they are much more beneficial in removing morbid matter from the system and preventing ague and other malarious diseases. As a cathartic and liver pill they are most perfect. For sale by A. L. Shader, druggist.

A NEW TYPEWRITER.
 A Machine That is Superior to the Remington or Calligraph.

The Wessel Printing Company have been appointed agents for the new and popular Yost Typewriter for southeastern Nebraska. To many of our readers this new machine is already known, and all who have seen it pronounce it far superior to any of the other machines. As far as utility and speed are concerned it is giving better satisfaction than either the Remington or the Calligraph, besides for points of convenience, improvements and general construction it far exceeds anything in this line ever invented. This may seem a broad assertion and doubted by those who are using the above machines, but when it is known that Mr. Yost, the inventor, has for years built the Remington and Calligraph, it is reasonable to believe that being constantly in the business he has had opportunity to note where improvements could be made, and accordingly is able to furnish a better typewriter than either of the others. On the Yost no ribbon is used, each letter or figure striking the paper direct, and by a very valuable new patent are in exact and perfect alignment. If preferable either Calligraph or Remington keyboard will be furnished. All who have seen this new machine in Lincoln pronounce it a gem, and we shall be pleased to have all interested call and see it. Office with THE CAPITAL CITY COURIER, 122-124 North Twelfth street, new Burr block.

STRUCK A FORTUNE.
 A Newspaper Carrier Who Won \$30,000 in the Louisiana State Lottery.

In a neat little brick cottage, at No. 3407 LaSalle street, there resides the happiest and suggest little family of Germans that could be found in many a mile's hunt. It is the home of Chas. Meinhardt, his wife and little 3-year-old daughter. Only a few months ago Mr. Meinhardt was in tolerably fair circumstances, now he is what may be called the Jay Gould of West St. Louis. In short, at the last drawing of the Louisiana State Lottery he held a tenth part of the number 87,835, which drew the capital prize of \$30,000. A Star-Sayings reporter called at the residence of Mr. Meinhardt this morning. Mr. Meinhardt was out on some speculation, but his wife met the reporter and said: "We are now a very happy family. We won \$30,000 and got every cent of it a few days ago. It was a very lucky thing, and we have only been playing the lottery for about four months. I have been buying all the tickets, but I got them under my husband's name. I bought this lucky one and took \$2 out of his pocket to buy it, and I'm glad I did it now. My husband will continue to carry papers, but will invest in real estate to a considerable extent. I would like to see somebody else do as well as we. We intend to play a little every now and then."

Two other gentlemen of this city held one-twentieth tickets and each drew \$15,000, one through the Lafayette and the other through the Fourth National bank. Besides the above luck of St. Louisians, there are any number of people holding numbers for smaller prizes. The heaviest winners at this drawing were all in pretty fair circumstances, and now that they have acquired sudden wealth, intend to have a pretty good time out of it. Two of them are investing in property in the West. Mr. Meinhardt, while still carrying papers, is contemplating a trip to the old country with his family. - St. Louis (Mo.) Star-Sayings, August 28.
