Interesting to the Housewife. The season being at hand for the usual unpleasant job of taking down stoves the COURIER deems it apropos to make a few remarks. There is now and has for the past two or three years been a firm in this city engaged in the business of storing stoves, and this season their warehouse has been enlarged to meet the increased business. This firm is Newell Storage Co., whose office is at 320 South Eleventh street. They come to your house or place of business, take down your stove, remove and store it until such time as you may want it and then return it to you again, setting it up cleared and in good order, at the same time insuring it against fire, accidents, etc. Being experienced in their work and employing only the best of help there is no question as to the care any property will have in their hands. Messrs. Newell & Co. are by no means strangers in Lincoln as they have been residents here for several years and are in every manner reliable as well as responsible. They also make a specialty of other storage work, including pianos, which are moved and stored without expense of packing. They will call and deliver all goods entrusted to their care promptly and at reasonable prices. They have the proper facilities for the work and a trial will convince you that it will pay you to have them handle your stove and other storage. All orders may be left at the office, sent by mail or given over phone 614.

Be Your Own Landlord.

Quit paying rent and buy a house. J. H. McMurtry will put up a home for you just as you want it and take it for some by a monthly installment. This way you will soon have a house of your own and although you pay but little more than ordinary rent, you do not miss it. Call and see McMurtry. He has fitted up hundreds of people who today are property holders and who otherwise would yet be paying high rents.

Bargains in Shoes

Briscoe, the shoe man, everybody knows him, is preparing to move to the Exposition store and until the removal he will give extraordinary bargains in all kinds of footwear. His line is not broken or small, but large and well selected. You should see his special goods. The dainty and serviceable ones for the fair ones, while for the sterner sex he has everything stylish and durable. Briscoe is always a little cheaper than the rest of them, and particularly now his goods are cheaper than ever. Call and see at 1320 O street.

The Ashby & Millsbaugh Sale.

The past week has been a constant rush at the old Ashby & Millsbaugh stand and eager buyers have attended the closing out sale of the stock in large numbers. Ladies who appreciate bargains found no end of them there and nearly every one went out with a bundle of some kind. Mr. Block is determined to close out everything giving such inducements as will move the goods. Our lady readers miss a rare opportunity if they fail to secure some of these goods. The stock is replete with the finest line of dry goods, dress goods and trimmings in the city and certainly there is nothing that a lady wants in that line that she cannot get there at a big bargain just now.

A New Departure.

Mr. Bert E. Betts, well known as one of the leading and best stenographers in this city, and for the past five years stenographer for the Security Investment Co. and private secretary to Hon. R. E. Moore, will on and after the fifteenth inst. be found in the pleasant offices of the COURIER.

Finding considerable demand upon his time for general reporting and typewriting work, Mr. Betts has opened this office and will devote his entire time to work of that character making business correspondence a specialty. With a thorough knowledge of the business in all lines and years of experience in correspondence, reporting of conventions, speeches, lectures, sermons, investigations, trials, examinations, depositions, hearings before referees, debates, etc., Mr. Betts will, we have no doubt, give ample satisfaction in any line of reporting. He is an expert typewriter operator, thoroughly familiar with all the popular makes of machines, and will have charge of the sale of the new Yost writing machine through its agency in the South Platte country. He will keep in stock a full line of stenographic and typewriter supplies, and furnish any short-hand book or periodical published in the United States. Any work entrusted to him will receive his personal attention and be promptly and accurately done.

The reputation sustained in past years for the excellence of the Alaska Refrigerator are sufficient guarantees to intending purchasers. Call and see the new line for 1890 at S. C. Elliott's.

A Ft. Leavenworth Coterie Draws \$5,000. Twelve members of Co. K 13th infantry, at the Fort, have just received through the Pacific Express company \$5,000, their portion of the \$100,000 prize in the last drawing of the Louisiana State lottery. The money was paid to Sergeant Thomas Marriott and by him divided between the twelve who had pooled their issues. Each put in 50 cents and as luck would have it, one of the six tickets purchased drew one-twentieth of the \$100,000 prize.—Leavenworth (Kan.) Times, Jan. 30.

The reason for this is the almost unlimited resources that have lately been opened up, and the surprising growth of Portland, Tacoma, Seattle and other large cities and towns along Puget Sound.

The Union Pacific, on account of its fast time, short line, through Pullman palace sleepers, free reclining chair cars, elegant dining cars, and free Pullman Coloniast sleepers from the Missouri river, is the favorite route to this region, and tickets via this line should always be asked for.

For complete information relative to this remarkable section, time of trains, rates, pamphlets, etc., call on your nearest ticket agent or address E. L. Louaux, General Pass Agent, Omaha. [4-123]
