A STRANGE DISCOVERY.

(Special by Atlantic Cable.)

Paris, July 15th—An extraordinary astronomical discovery has just shocked the scientific world. Last night Professor Secar caught sight of a comet of the first magnitude. As its fiery tail flashed through the heavens the Professor, to his profound astonishment, found that the name of A. T. Gruetter & Co. was inscribed in fiery letters on the same together with a full list of their latest styles in Furniture. Almost as wonderful as the celestial display was the remarkably low prices at which their goods were offered.

AT THE PARK.

The coming week at Cushman park presents another varied program of attractions, such as are likely to please all classes of people. Tomorrow a grand extravaganza will be given under the auspices of the military band, the excellence of whose music is too well known to need special commendation. On Tuesday the Modern Woodmen of America will have an outing at the park. While, figuratively speaking, the Woodmen will own the park other people will be heartily welcome to its shady retreats. On Friday next there will be one of the greatest picnics on record. A fine musical entertainment will be given under the auspices of the pipe organ society of St. Paul's M. E. church. Manager Andrus has arranged a very fine train service, and the time of trains may be found in an advertisement in another column.

Don't leave the city without taking with you some of those elegantly engraved calling cards sold at the Cushman office, 100 and plate for \$2.50—or if you have a plate we will make you a hundred for \$1.50.

Excursion Rates to Eastern Resorts.

The attention of the traveling public is called to the advantages of the Otic & Mississippi Railway as a route to New York, Philadelphia, Washington, D. C., Baltimore, Cincinnati and Louisville, as well as to the numerous health and pleasure resorts of the East.

Both morning and evening lines of Pullman Vestibule Buffet Sleepers are run from St. Louis to New York via the above named cities over the Baltimore & Ohio route. Deer Park and Oakland the twin mountain resorts of the Alleghenies, are on the direct route of these through sleepers to the East.

For Lake Chautauque and Niagara Falls our train connects in Cincinnati with trains of the Erie Route which run through to New York via Lakewood on the southern boarder of Lake Chautauque; being the only line from the west running a sleeper or a coach of any kind to any points on Lake Chautauque.

For White Sulphur and other healing springs of the Virginias; Richmond, Old Point Comfort, Washington, Baltimore, Philadelphia and New York, our trains make direct connection in Union depot, Cincinnati with the "F. V. Limited" of the Chesapeake & Ohio Route.

Our rates to New York and other eastern points are lower than any other through car route from St. Louis, while our accommodations are unsurpassed.

To those who contemplate a trip east this summer we will be glad to furnish descriptive pamphlets of the different resorts, reserve sleeping car berths and furnish any additional information as to rates, time and routes.

Summer Excursion tickets to all the eastern resorts are now on sale in our office at reduced rates.

Grand Excursion to Yellowstone National Park and Other Western Resorts.

The Union Pacific, "The Overland Route," proposes to run on July 26th, a grand excursion from Omaha to Yellowstone National Park, Great Shoshone Falls, Idaho, Ogden, Salt Lake City, Garfield Beach, Denver, Clear Creek Canon, the famous Loop, and other points of interest. The Union Pacific will furnish six horse Concord coaches, which will carry the party from Beaver Canon, Idaho, to and through Yellowstone National Park. These coaches will also be taken to Shoshone Station, and used for the ride to Great Shoshone Falls. At each stopping place, such as Ogden, Salt Lake City, Cheyenne and Denver, the coaches will be unloaded, and the tourists conveyed from the depot to the hotels. Afterward a ride to all points of interest in each city will be taken.

From Beaver Canon to Yellowstone National Park, the trip will occupy three days going, three days returning, and eight days will be spent in the Park. Excellent tents and good equipment for camping out will be furnished by the Union Pacific, enroute from Beaver Canon to the Park, and while in the Park the tourists will be quartered at the various hotels.

The very low rate of \$225.00 per passenger has been made from Omaha. This rate includes Railroad, Pullman and Stage fare, Meals and Hotel bills from the time of leaving Omaha until the return of the excursion, in all 30 days.

Only thirty passengers can be accommodated, and as accommodations are limited early application for same should be made, no one being accepted after July 26th. Unless 20 tickets are sold by July 20th, the excursion will be abandoned, and purchase money refunded immediately.

In ordering tickets send money for same by express, to Harry P. Deuel, City Ticket Agt., U. P. Ry., 1202 Farnam street, Omaha, Nebraska.

While children will be allowed on this trip, still it is advisable not to take them. For further information relative to this excursion and itinerary, apply to
