Has its own peculiar malady; but with the blood maintained in a state of uniform vigor and purity, by the use of Ayer's Sarsaparilla, the system readily adapts itself to changed conditions. Composed of the best alteratives and tonics, and being highly concentrated, Ayer's Sarsaparilla is the most effective and economical of all blood medicines.

"For some years, at the return of spring, 1 had serious trouble with my kidneys. I was unable to sleep nights, and suffered greatly with pains in the small of my back. I was also afflicted with headache, loss of appetite, and indigestion. These symptoms were much worse last spring, especially the trouble with my back. A friend persuaded me to use Ayer's Sarsaparilla. 1 began taking it, and my troubles all disappeared." -- Mrs. Genevra Belanger, 24 Bridge st., Springfield, Mass
