The Plattsmouth Herald Publishing Co

LOCAL NEWS.

The heating of the Waterman ope ra bouse block by steam is complete, and its first test on Saturday last was in every way satisfactory.

The following from the Des Moines Register in regard to the Tibbles Sewing Machine may be of some interest. It will be renembered that this city HERALD Publishing Co., p has contemplated making the effort to get the factory located here, and the stockholders in this city will do well R. W. Hyers, boarding prise to watch closely: "Yesterday we called upon Mr. C. E. Tibbles, inventor of the R. W. Hyers, jailor's tees Oct Tibbles sewing machine, and found Mrs. S. H. Beeson, keeping quite a number of gentlemen present. including E. H. Conger, R. K. Miller, Jerome Hollingsworth, H. E. Teachout, A. W. Navlor, E. W. Smith and H. C. Ensuinger, and others, all of whom are stockholders in the Hawk- J. V. Weckbach, merchand eye Machine Company, with principal place of business at Burlington, lowa which company owns the Tibbles sew- P. L. W'se, ing machine, and hope soon to organize A. W. Crites, " 3d " a company to manufacture the ma- A. Salisbury, " 4th " chines, and it would be a good company for Des Moines to secure, as it would bring thousands of dollars into business men's pockets. Mr. Tibbles is now on his way east to contract for the manufacture of machines, and hopes to have them on the market in time for the spring trade. The special points claimed for this machine are: J. W. Shannon, rent of roo It is the only machine that feeds the work to or from the operator at will, without any change in the machinery it has the least machinery of any malightest; every bearing, joint and place of friction, from the foot pedal to the head of the mac.ine, is provided with the Tibbles adjustable joint and sleeves, and this device will take up all lost motion and leave the shafts in the same position as when new for fifty years' ordinary wear; it has posi-SILKS, SATINS, tively self-setting needle, no holes to thread in shuttle or machine; it has independent take-up; is entirely new; is not similar to other machines in mechanism or appearance, and is beautiful in design and appearance. This machine has caused a great commotion in sewing machine circles, and we think that Tibbles sewing machine
