

Saved His Life.

Mr. D. L. Wilcox, of Horse Cave, Ky., says he was, for many years, badly afflicted with Phtisie, also Diabetes; the pains were almost insupportable and would sometimes almost throw him into convulsions.

Everybody Run.

This afternoon at 2 o'clock the first good fire alarm of the season was sounded, and Main street was immediately in great commotion.

Don't Experiment.

You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first, only a cold.

A Deserved Compliment.

A deserved compliment was paid to Hon. Sam'l Chapman the other day at the Judicial convention, when his first year's services on the bench were rewarded by a unanimous nomination to succeed himself for the next four years.

When Baby was sick, we gave her Castoria.

When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

PLATTSMOUTH may be afflicted with a city council that does not reflect and represent the best interests of the people.

PLATTSMOUTH may be afflicted with a city council that does not reflect and represent the best interests of the people, but we are to be congratulated that we have no Hiscalls or Bethels here.

DEMOCRACY in Chicago fairly went wild on seeing a Bourbon president.

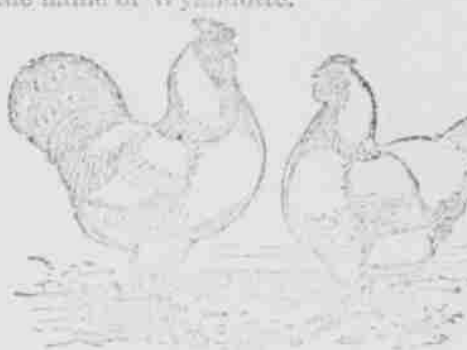

DEMOCRACY in Chicago fairly went wild on seeing a Bourbon president, it being the first one that many of that party had ever seen.

FARM AND GARDEN.

INGENIOUS CONTRIVANCES FOR FEEDING SWINE.

One Estimate of the Relative Value of Dairy Cows—Wheat to Cut Fodder Corn. A Brief History of the Wyandotte Fowl.

It is about five years since the American Poultry Association admitted the fowl variety termed Wyandotte.

A PAIR OF WHITE WYANDOTTES.

While this bird is supposed to have been introduced by a Spanish Missionary from Mexico.

The Wyandottes have proven themselves worthy of the early claims made for them and stand today among the best of all pigeon fowls.

The original Wyandottes affected a tempting field to the marder which has not been neglected.

Disinfect Bones. Bones contain about half their weight of phosphate of lime.

One of the best recipes known for whitewash is that called "White Home Whitewash."

Treasury Department Whitewash.

One of the best recipes known for whitewash is that called "White Home Whitewash."

A Word About Potato Scab.

The skin of the potato is a layer of cork cells, and when injured it leads by the formation of a new layer of cork.

Relative Value of Dairy Cows.

In tests made with ten breeds of cows, by Professor Brown, of the Ontario, Can., Agricultural college.

Jersey is far ahead as a producer of cream

of milk, with the Ayrshire in second place, while the Ayrshire is the best if the milk is to be sold or cheese is to be made.

The fact that the cow requires food very nearly in proportion to her live weight would also serve another point.

In the Vineyard.

A noted vineyardist sets his vines 6x8 feet, and as they grow thins to 12x8, uses chemical fertilizers exclusively.

When to Cut Fodder Corn.

Farm Journal says: "Whether for soil, for silage or for winter use, it is a waste to cut fodder corn too soon."

A Cheap Insecticide.

L. E. Wal, of Vermont, N. Y., finds a weak solution of London purple a more effective and more cheaper insecticide than any other known.

How Fowls and Poultry.

The following descriptions, with illustrations of feeders for hen trunks.

FIG. 1.—FEEDER FOR TROUGH.

Make the trough a foot wide and five or six inches deep.

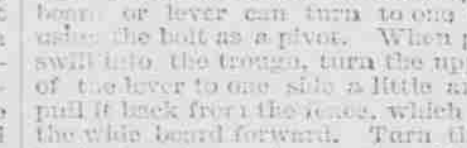

FIG. 2.—FEEDER FOR BUCKET.

For Fig. 2 arrange the trough as before, except that it should be two or three inches narrower.

Facts Farmers Ought to Know.

The secretary of the New Jersey Horticultural society says that the Triumph gooseberry has on his grounds exceeded any other variety in the size and productivity of its fruit.

A leading Boston market gardener

names the Clinton Melon as the American Wonder and Champion of the land as the four best and softest varieties of wrapped peas.

The Southern Planter, of Richmond,

does not think that honey bees injure grapes. The Florida Farmer is convinced that a yellow wasp is the pest that injures grapes.

A well known nursery house

has what is claimed to be a cross between a plum and a pear.

The bulletins issued by the Massachusetts

agricultural experiment station will be sent free of charge to anybody sufficiently interested to make written application for the same.

Drunkards of the House Habit Fastly

It can be given in a cup of coffee or tea without the knowledge of the person making it.

It can be given in a cup of coffee or tea without the knowledge of the person making it.

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs can be healthfully and entirely cured by the use of Boschee's German Syrup.

English Spanish Liniment removes all Hard, Soft, or Catarrhal Lumps and Abscesses from horses, sheep, swine, cattle, dogs, and poultry.
