D. A. CAMPBELL, County Treasurer.

Dr. N. Spaulding Smith late of Washington, D. C., the most eminent specialist and orthopedic surgeon of the day has parlors at the Perkins House and will remain only two weeks treating with assured success all chronic and surgical diseases and deformities.

The Tacoma Journal remarks "The Texas robber who made the stage driver give up his Waterbury watch deserves to be compelled to keep the thing wound up."

Not Dead. It was reported that "Bozzarro", the Indian Medicine man, who was here last year was dead but he has returned associated with Dr. N. Spaulding Smith of Washington, D. C. and has parlors at the Perkins House prepared to treat all chronic diseases with guaranteed success.

Bill Nye writes to a bald-headed friend, who asks his advice about hair restoratives, as follows: "Take your hair invigorator money and buy a town lot in a growing town that supports its home paper and advertises and goes ahead and you will be fixed, and a man who is fixed doesn't care whether he has any hair or not."

SCRATCHED 28 YEARS. A Sealy, Itching, Skin Disease with Endless Suffering Cured by Cuticura Remedies.

If I had known of the CUTICURA REMEDIES twenty-eight years ago it would have saved me \$200.00 (two hundred dollars) and an immense amount of suffering. My disease (Psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body and got under my nails. The scales would drop off of me all the time, and my suffering was endless, and without relief. One thousand dollars would not tempt me to have the disease over again. I am a poor man, but feel rich to be relieved of what some of the doctors said was "leprosy, some kind of leprosy, etc." I took... Sassaaparilla over one year and a half, but no cure. I went to two or three doctors and no cure. I cannot praise the CUTICURA REMEDIES too much. They have made my skin as clear and free as a baby's. All I used of them was three boxes of CUTICURA and three boxes of CUTICURA RESOLVENT, and two cakes of CUTICURA SOAP. If you had been here and said you would have cured me for \$200.00 you would have had the money. I looked like the picture in your book of Psoriasis (picture number two). "How to Cure Skin Diseases," but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once a while, but to no purpose. I am all well. I scratched twenty-eight years, and it got to be a kind of second nature to me. I thank you very much. Anything more that you want to know write me, or any one who reads this may write to me and I will answer it. L. DENNIS DOWLING, WATERBURY, Vt., Jan. 25th, 1887.

Catarrhal Dangers. To be freed from the dangers of suffocation while lying down; to breathe freely, sleep soundly and undisturbed; to rise refreshed, head clear, brain active and free from pain or ache; to know that no poisonous, putrid matter defiles the breath and rots away the machinery of smell, taste and hearing; to feel that the system does not through its veins and arteries, suck up the poison that is sure to undermine and destroy, is indeed a blessing beyond all other human enjoyments. To purchase immediately from such a safe should be the object of all afflicted. But those who have tried many remedies and physicians despair of relief of cure.
