VOLUME XXIII, NUMBER 34

No. One Need Remain A Dyspeptic.

"I have been suffering for over two years with Dyspepsia. For the last year I could not take a drink of cold water nor eat any meat without vomiting it up. My life was a misery. I had had recommended Simmons Liver Regulator, of which I am now taking the second bottle, and the fact is that words cannot express the relief I feel. My appetite is very good, and I digest everything thoroughly. I sleep well now, and I used to be very restless. I am flushing up fast; good, strong food and Simmons Liver Regulator have done it all. I write this in hopes of benefitting some one who has suffered as I did, and would take oath to these statements if desired."

Thanksgiving.

LINCOLN, Neb., Nov. 4.—Governor Thayer has issued the following proclamation:

STATE OF NEBRASKA, EXECUTIVE DEPARTMENT.
At this season of the year when the earth has given forth an abundant increase, when the harvests have been gathered, and realizing that the year, which is now drawing to a close, has been one of prosperity, health and happiness to the people of Nebraska, it is meet that they should make humble acknowledgments to our Heavenly Father for his unspeakable goodness.

In accordance with an appropriate and time honored custom, and conforming to the proclamation of the president of the United States, I, John M. Thayer, governor of the state of Nebraska, do hereby set apart Thursday, the 24th day of this month as a day of thanksgiving, prayer and praise to the supreme ruler of the universe for his rich and manifold blessings.

It is recommended that, on that day, the people lay aside their usual avocations, and assembling in their accustomed places devoted to Christian worship, render to Him the homage of grateful hearts for the innumerable favors He has vouchsafed to us as a people.

And while it should be a day of rejoicing, when kindred and others long separated, shall unite again in joyous reunions, the soul and needy should be borne in kindly remembrance, thus imitating the example of our divine master who, while upon the earth, went about doing good.

IN WITNESS WHEREOF I have hereunto set my hand, and caused the great seal of the state to be affixed hereon. Done at Lincoln this 2nd day of November, A. D. 1887.

By the governor: JOHN M. THAYER.
G. L. LAWS, Secretary of State.

Latest by Telegraph.

BOBBERED AND STOLEN.

Judge Berry Dead.

MINNEAPOLIS, Nov. 8.—Judge John M. Berry of the supreme court of Minnesota died this morning.

October Fire Record.

NEW YORK, Nov. 8.—The *Daily Commercial Bulletin's* fire record of October shows losses in the United States and Canada to be \$9,770,000.

Hotel Changes Hands.

NEBRASKA CITY, Neb., Nov. 8.—C. T. Bradley, of Tecumseh, yesterday purchased the Grand Pacific hotel. It will be thoroughly refitted. Mr. Bradley is well known to the traveling men and will conduct the hotel second to none outside of Omaha.

A Benevolent Act.

BELTON, Tex., November 8.—Mrs. Lydia Alexander, of this city, has deeded 700 acres of land, valued at \$20,000 to the Regent of the Southwestern University at Georgetown, to endow the Alexander professorship in that institution. The university is controlled by the Methodists.

Waylaid and Shot.

ELDORA, Ia., Nov. 8.—John Bunker, a prominent farmer, who was a witness against Rausbarger, was waylaid near his home last night and seriously if not fatally wounded. His horse was killed under him and his thigh was shattered by buckshot. The shooting occurred about a mile south of Abbott. Bunker recognized three or four of his would-be assassins. The sheriff is now in pursuit.

Oil Boring.

PALESTINE, Tex., November 9.—Engineer Mayo sent in his report to the directors Tuesday morning of operations in boring the fourth reef oil well. This well has reached a depth of 80 feet, and has reached a vein of water heavily impregnated with lubricating oil. Two gallons were skimmed from the water. Engineer Mayo is now using this oil on the boring machinery just as it is taken from the water, and he pronounces it superior in all respects to any lubricating he has tried.

The Last License Expired.

CUBA, Mo., November 7.—This is the last day of the legal sale of intoxicants in Crawford county, as the license of the last saloon in the county expires today. Many have come in to join the funeral procession and have taken their last drink at the bar as mourners over the fall of personal liberty. So the spirit of the dying saloon departed by the way of many sympathizing throats. They are having a wake to-night, and general good humor prevails.

Lumber Mills Closed.

Dubuque, Ia., November 9.—The lumber mills of this city shut down Saturday night after a successful season. The entire cut of lumber of the four mills will aggregate about 60,000,000 feet, being at least 5,000,000 more than last year. The stock of lumber on hand is about the same as last year—45,000,000 feet. The mills were to have run longer but for the recent fires in the yards started by incendiaries. The mill owners concluded it was better to have their stock in logs than in lumber, if they were to be burned out.

Chicago's Military Garrison.

CHICAGO, Ill., Nov. 9.—For the first time in twenty-two years Chicago has a military camp. Two companies of the

Sixth United States infantry under command of Maj. Lyster arrived in this city this morning and proceeded to the military reservation at Highwood, which was given to the government by the city of Chicago. Immediately upon their arrival the garrison flag was run up and Camp Highwood was formally dedicated. None of the officers had the least idea that they would be brought into the city next Friday, as many sensational reports had alleged.

A Government Telegraph.

WASHINGTON, D. C., Nov. 9.—A dozen ambitious statesmen are coming to the capital with bills in their pockets for the construction of government telegraph lines. These systems of postal telegraphs have been so successful in all the European countries where they have been tried that the argument in favor of the bills will be very strong. Of course, with so much larger a country and population less dense, the establishment of a system of telegraphs here by the government would be in the nature of an experiment. The general idea, however, is that the mail and telegraph might be so combined that telegrams to or from points not actually reached by the wires could be transferred by mail for the intervening distance between telegraph station, and the point of origin or destination.

The strong fight that will be made against the system, however, will be in the fact that it would add many thousands to the list of government employees, and bring up the army of officeholders to 200,000 or perhaps 250,000, giving the party in power a tremendous leverage in a political way. It seems quite probable that when the advocates of the scheme come to talk it over they may be able to content themselves with some kind of an interstate bill for control of the present systems, something on the interstate commerce bill plan.

REPUBLICAN RETURNS.

FIRST DISTRICT.
TECUMSEH, Neb., Nov. 9.—Johnson county gives Appelget about 400 majority, which carries the district without doubt. On county officers the indications are that Sutever (dem.) for treasurer, is elected over Davis (rep.). Miss Emerson (pro) is probably elected county superintendent. Grimes (rep) by 300 majority for sheriff, Wilson (rep) is probably elected for county judge by 100 majority. The balance of the tickets is in doubt.

BEATRICE, Neb., Nov. 9.—Partial returns from the city and county indicate that the entire republican ticket will be elected by a majority ranging from 100 to 600. For district judge, Broady will probably carry the county by a small majority and Appelget will poll the full republican vote.

SECOND DISTRICT.
LINCOLN, Neb., Nov. 9.—At this hour (2 a. m.) only two precincts in Lincoln have made returns, but from these indications point to a majority in the city for Field and Chapman, republican candidates for district judges, of from 500 to 800.

WAVERLY, Neb., Nov. 9.—The republican majority is 75; Field 80 majority; Cook for sheriff, (dem.) has a majority of 100.

CHENEY, Neb., Nov. 9.—A light vote was polled, 109 votes being cast. The republican candidates on state and county tickets received from sixty-six to seventy. A. W. Field, 70; Chapman, 40; Sawyer, 55; Roake, 78; Helmer, 12.

EMERALD, Neb., Nov. 9.—The vote in Middle Creek yesterday was as follows: For judge of the supreme court, Maxwell, (rep.) 35; O'Day (dem.) 14; for regents, Davis and Roberts, (rep.) 35; for district judge, Field (rep.) 50; Chapman, (rep.) 35; Sawyer, (dem.) 13.

THIRD DISTRICT.
The third district reports, except from Omaha, are yet to come in, and part of those from Omaha, but as much as is reported shows Omaha to be about 175 majority in favor of O'Day over Maxwell, while for regents she is strong democratic. The democratic district judges, in Omaha and also the county ticket is divided.

FOURTH DISTRICT.
COLUMBUS, Neb., Nov. 8.—Gus G. Beecher (rep.) is elected treasurer over D. Kavanaugh, the democratic war horse of old Platte. M. C. Bloedern (rep.) is elected sheriff. The republicans claim, with a reasonable degree of certainty, also the county judge, superintendent of schools and the coroner. Official returns come in slow.

FREMONT, Neb., Nov. 8.—Returns from the country precincts of Dodge county are coming in slowly, and the result of to-day's election cannot yet be determined. There is a republican ma-

ajority in this city and two members of the board of supervisors were elected by each party in the country.

For judge of the Fourth judicial district Hon. William Marshall runs several hundred ahead of his ticket.

FIFTH DISTRICT.
WILBER, Neb., Nov. 9.—Saline county as much as reported, is republican on state and judicial tickets and divided on county.

SIXTH DISTRICT.
SEWARD, Neb., Nov. 9.—Seward county reports favorably for republican ticket complete. The seventh district reports returns delayed.

The ninth, tenth and eleventh districts report republican state ticket carried and county ticket outlook good.

OTHER VOTING.
NEW YORK, Nov. 8.—A large number of arrests have been made for illegal voting, but no trouble has yet occurred. The fight over district attorneyship is overshadowing every other question and both sides are confident. The George vote in the city is smaller than anticipated.

Six hundred and fifty election districts out of 812 in this city gave Grant 39,390; Cook, 68,911; George, 21,454; Hall, 3,241; Huntington 750.

Two hundred and forty-nine election districts in New York state, outside New York and Kings counties, give Cook, 35,935; Grant 43,543; Huntington, 4,398; George, 1,630. The same districts in 1885 gave Hall, 38,805; Davenport, 47,115; Biscom 3,369.

The Sun claims New York democratic by 15,000 plurality.

BROOKLYN, Nov. 8.—Two hundred and forty-one out of 260 in this city give Grant, 39,584; Cook, 47,906; George, 13,242; Huntington, 1,656.

PITTSBURG, Nov. 8.—Midnight. Returns on the state ticket have been very meagre tonight, on account of the exciting contest on judiciary in Allegheny county. It is safe, however to estimate Hart's (rep.) plurality for state treasurer at from 4,500 to 6,000. Slagle (rep.) for judge of Allegheny county will probably have 2,000 plurality, and the entire republican county ticket is elected by from 1,500 to 4,000 plurality. There are 128 counties and fifty-five precincts in this city and Allegheny city to hear from.

CLEVELAND, Nov. 8.—Four precincts in Cleveland give a republican gain of eighty-nine and in one precinct a democratic gain of ten.

Forty-one precincts show a net republican gain of 1,473. Foraker, 53,690; Powell, 33,820; Seletz, 1,269; Sharpe, 62. These precincts are nearly all in Hamilton county.

CINCINNATI, Nov. 8.—10 p. m.—The republicans now claim the state by 35,000 majority.

BOSTON, Nov. 8.—One hundred and fifty-two towns and cities, including Boston, Lowell and Gloucester, give Ames 71,808, Lovring, 65,295. Indications are that Ames, republican, is elected by an increased plurality.

The republicans claim to have gained three or four senators and a dozen or more representatives. Total returns so far at republican headquarters show a net loss in the state of 8,400. The democrats claim the vote will be very close when the returns are all in.

WASHINGTON, Nov. 8.—A private telegram received here at 11 o'clock announces that full returns in Richmond show the democratic ticket elected by 718 majority.

NORFOLK, Va., Nov. 8.—Its thought Barner (dem.) has been elected to the senate, a democratic gain. Northampton county, a republican majority of 300. Southampton county goes democratic from 400 to 500 majority.

CHICAGO, Nov. 8.—The republican city and county ticket was elected today by a large majority. Judge Gray was practically unanimously re-elected, receiving nearly all votes cast. Judge Longenecker, the republican candidate for state's attorney, was also elected by an immense majority. The vote for county commissioners was overwhelmingly republican.

DES MOINES, Ia., Nov. 8.—The polls closed very late in Iowa. Many are not closed at this hour, 6:40. The returns will be late. Twelve precincts reported up to this hour show scarcely any change from last year. Returns from the city of Des Moines will be in late, as the tickets are badly scratched and counting did not begin till late.

Register specials from forty-nine precincts in Iowa show a net democratic gain of 768.

Maryland reports democratic. Rhode Island reports mostly in favor of republicans; Detroit, Michigan, favors the democratic city officials, and Mississippi reports solid as democratic.
