Burglars at Nebraska City.

NEBRASKA CITY, Neb., June 6.—The residence of Dr. Campbell was entered last night and robbed of a quantity of silverware and \$25 in cash. The thieves left no trace.

Will Build at Once.

KEARNEY, Neb., June 6.—Information of a most reliable nature reaches here this evening from St. Louis that the Missouri Pacific railway company will push the work on their Kearney extension forward to this point at once.

Heavy Rainfall Near Pender.

PENDER, Neb., June 6.—The heaviest rain season visited this neighborhood last Monday night accompanied by hail and wind. Several buildings were damaged by the wind and considerable corn and other crops were either washed out or buried. Trains were delayed several hours by a washout between Pender and Emerson.

For the Chautauqua.

KEARNEY, Neb., June 6.—Mr. G. W. Flick and Colonel W. W. Patterson arranged today for building on the Chautauqua grounds and by tunneling the hills north of town and tapping the canal to form a magnificent lake from which they will procure a natural overflow into the Wood river.

Hail at Norfolk.

NORFOLK, Neb., June 6.—Very heavy showers fell here Monday evening. About 10 o'clock chunks of pretty solid ice began to thump upon the roofs of buildings. One stone is reported as being nine inches in circumference. No wind was stirring and the hail was not abundant, so but little damage was done besides the breaking here and there of a window pane.

Struck by Lightning.

NELIGH, NEB., June 6.—About 12 o'clock Monday night during a terrific shower, lightning struck the house of N. D. Jackson and completely wrecked it. The most marvelous part of the accident was that none of the family, which consisted of Mr. Jackson, his wife and three children, were injured. About two hours later fire was discovered in the ruins but was extinguished before it had burned much.

Murder at Culbertson.

CULBERTSON, Neb., June 5.—A little before noon today, John B. Hunter, a hardware merchant here, deliberately shot and killed H. B. Hull, a farmer living two miles east of town. The shooting took place in a billiard hall and was the result of a dispute between Hunter's father, Gallant V. Hunter, and Mr. Hull. A jury was empaneled and after an examination a verdict of death by a pistol in the hands of John B. Hunter was rendered. Mr. Hull was a man generally esteemed by his neighbors, while the Hunters have been regarded as quarrelsome and dangerous characters. There is some talk of lynch law being resorted to tonight.

A Dead Body Found.

FREMONT, Neb., June 6.—The body of an unknown man was found this morning five miles west of Fremont, near the railroad track, by the crew of a passing train. Coroner Abbott, of this city, was summoned and an inquest was held on the body at Ames. The coroner's jury, after weighing all the facts and surrounding circumstances, returned a verdict to the effect that the deceased came to his death by means of a blow upon his head, crushing his skull, but when, where and how the blow was administered they were unable to tell. The man was decently dressed and evidently not a tramp. Two letters were found on his person written at Wahoo, and as nearly as could be deciphered the signature to the letter was "Mrs. R. McGag Meagher." The body was brought to Fremont and unless identified will be buried in the potter's field.

Washed off the Boat.

WISNER, Neb., June 6.—The high water of last week swept away the iron bridge over the Elkhorn, opposite Wisner, and the citizens constructed a temporary float for the crossing of foot passengers. At 1 o'clock today, while a party of eight persons were crossing from the west bank, the boat dipped, and the current being strong, swept the whole party off. Lena Matthis, aged sixteen years, Anna Matthis, aged five years, Otto Matthis, aged eleven years, all children of Ferdinand Matthis, of this place, and Franz Marx, a farmer living five miles south of Wisner, were drowned. The wife and eldest daughter and eldest son of Ferdinand Matthis were saved by the prompt action of some who witnessed the accident. The Matthis family were returning from the wedding of their son, Frank, which took place last evening, six miles south. An effort was made by the citizens to recover the bodies, but the high water and swift current made it impossible to do anything and the search was abandoned.

A Miss Whitney, from Texas, was visiting at the home of G. W. Shraders the fore part of last week.

Small grain, as a general thing, looks well; corn, what has made its appearance, looks favorably, considering the cold and backward spring.

Master Eddie Worley of Elmwood came down Thursday last, and has been visiting James Tigner and some other of his former schoolmates. He returned home today.

Thomas Gray and wife from Plattsmouth, attended church at this place on Sunday; also, Grandma Ghant from Nebraska City.

Mr. Sherman must not come down here or he may get away as fast as he did out of the B. & M. yards not long since.

Mr. A. P. Welman is teaching the Excelsior school and is giving very good satisfaction. He is a graduate of the Oberlin college in Ohio.

Farmers are through planting corn and are turning their attention to the cultivation of the crop; as a general thing there is a fair stand of corn in this vicinity this spring.

Our village is getting to be the center of attraction now days. It has the following business houses, viz: One hardware, one drugstore, one hotel, one P. O., two general merchant line stores and two blacksmith shops, besides two grain elevators, one lumber yard and a number of buildings going up; there are also several fine residences which speak well for the village.

SHAKER BOY!

Will make the season

Mondays and Tuesdays at Home, one mile east of Eight Mile Grove.

Wednesday to Saturday in Plattsmouth At Louis Khroell's stable at the foot of Main Street.

SHAKER BOY

Is a Dark-Bay Pacer, 15 1/2 hands high, weighing 1,200 pounds. His close, compact form and noted reputation for endurance and speedy progeny have justly earned for him the reputation, and encomium from the Editor of the "Spirit of the Trav," that he is one of the Best Sires of the age. His record is 2:26, and has paced trial miles in 2:16. His colts, Little Baby, 2:27 1/2, and J. W. Huey, 2:24 1/2, with more to follow in the charmed circle this summer, is certainly a great showing, and affords the public in this vicinity a grand opportunity to get valuable horses at low prices. His service of \$15.00, with \$2.00 added if not paid till after foaling, or \$20 to insure colt to stand, is only the price of a good ordinary horse, while horses of SHAKER BOY'S blood lines receive from \$100.00 to \$300.00 in other localities. Horses of this kind, if not wanted for sporting purposes, can do more general work on a farm, on account of their extra nerve power, than unwealdy draft horses, and can go to town or to meeting in one half the time, and time is money. Owners of fine mares have a rare chance now for one of the cheapest horses in the United States. Embrace the opportunity.
