Gen. Sheridan's Mother Dead.

SOMERSET, O., June 12.—The mother of General Sheridan died today at 1:30. Mrs. Sheridan was born in county Cavan, Ireland, came to the United States in 1828, and came to Ohio in 1832. Reports concerning the dangerous condition of her son Phil were studiously kept from her, but she knew that he was sick.

Musicians Shocked by Lightning.

SCHUYLER, Neb., June 13.—Last night a severe rain and thunder storm passed over this place. Three-quarters of an inch of water fell by actual measurement. Lightning struck the Bohemian hall, slightly damaging it. Five musicians were in at the time practicing their music, three of whom were stunned. James Swoboda is seriously injured. The other two, Frank Bastuik and Charles Dobesi, soon recovered.

Sheridan no Worse.

WASHINGTON, June 13.—General Sheridan passed a quiet night, but was a little disturbed after midnight by coughing. His general condition this morning is about the same.

It was stated at the Sheridan residence at 2:30 that the general was doing remarkably well. He has rested quietly all the morning.

There is no change in General Sheridan's condition. There will not be another bulletin issued until tomorrow morning. He has not been advised of his mother's death.

A Madman in the Woods.

TEXARKANA, Tex., June 12.—Several days ago a man named Cook, a tailor, formerly of St. Louis, and employed in the tailoring establishment of Parkins & Sons, mysteriously disappeared and no clew to his whereabouts was obtained until today. A party of negroes came in from the Rondo district, reporting to the officials that a madman was in that neighborhood, concealing himself in the brush until becoming hungry for food, when he would emerge therefrom with sticks and attack with fury every one observed by him. He has made violent attacks upon defenseless women and children frightening many away from their homes, and an effort has been made to capture him but up to date he has not been caught.

A Priest Arrested in Mexico.

MONTREY, Mexico, June 12.—Yesterday Rev. Father Lorenzo Maulor, Brownsville priest, came to this side of the river to celebrate mass. He rolled his black cassock up about his waist and attracted no attention until on his return he stepped in the ferry skiff, and let his cassock fall, when a vigilant policeman pounced on him and arrested him for an infraction of the Constitution of 1857 and the reform laws, which makes it a severe offense for a priest to appear in the streets in his robes. The reverend father was carried back to the city and jailed, but late in the afternoon, through the influence of a number of prominent ladies and gentlemen, was released. Dr. Diaz Gutierrez responding for him, and today a fine of \$25 was imposed and paid. The affair has created quite a ripple of excitement on both sides of the river.

Union in Brief.

Here are a few items from union once more. We don't come very often but give lots of news when we do come.

Farmers are very busy plowing corn this nice weather.

We saw the county commissioners in town Monday; expect they were down looking out a location for the county seat.

Lemmy, the hog buyer, has commenced work on a business house here 20x40 two story frame.

Lyan is building a large dwelling house for Thomas, the hard ware man, and Lanham, the implement man, to live in.

J. H. Austin has his store room almost completed, size 20x40; Mr. Edminston has his business house about completed also, we understand, and it will be occupied by a Dr. Thomas as a drug store.

Our hotel has changed hands. Am Smith, of Avoca, having leased the house, and they say Am knows how to run a hotel.

Corn is worth about 40 cts.; hogs are worth about 5 cts.

E. P. Davis has his dwelling house almost completed, and Dr. Davis has commenced to build a residence intending to move here.

Dr. Wallace has commenced a fine residence, so you see this town will be well supplied with doctors. Expect we will have to enlarge our cemetery.

S. A. Winner, of the firm of G. A. Rose & Co., was in Neb. City Tuesday.

Mr. Perkins, of the Neb. City elevator, and John Kennedy were in town Tuesday.

Mr. Lynn is shipping wood to Lincoln.

JAKE.

A GAY DECEIVER'S PLEDGE.

Charles Oisen Skipped Within a Half Hour After Being Wedded.

The bastardy case brought up against Charles Oisen commenced before Judge Stiles May the 25th, culminating June 9th by the parties appearing before his honor, L. C. Stiles, Esq., with license in hand and asking to be joined in wedlock. The ceremony was performed in the Judge's latest and most approved style, in the presence of several ladies and gentlemen, and the bride and groom departed seemingly happy. But alas! the deception of unkind and unfeeling mortals cannot always be accounted for.

No sooner had the wedded pair left the sanctimonious bar of justice than the hard-hearted groom tore himself away from her whom he had first allured and ruined, and that two after only a half hour before he had solemnly promised, in the presence of a brother, friends and witnesses, to take her for his lawful, wedded wife, to love, cherish, protect and care for her in sickness and in health, as long as they both should live. The perfidy of a gay deceiver, a rakish, rapish, lustful, carnal wretch, one whose heart is hardened against his Creator and his brother man, should be punished to the fullest extent of the law, and he kept within the prison walls until his heart is softened and his carnal nature properly subdued. It is a sad thought for the rising generation of girls to ponder upon. Look out for the silver-tongued gay deceiver.

Drowning Accident.

GREENWOOD, June 13.—[Special to the Herald.]—Yesterday afternoon about 2:30, a very sad drowning accident occurred at this place. A young man by the name of Henry Ewing had gone in swimming in Salt Creek, about one-half mile west of the town and was drowned. He is reported as being a very industrious and congenial sort of a young man and much respected by all who knew him. His many friends were horror stricken when they heard of his terribly sad fate and the whole community is very much grieved over the sad affair. Not being personally acquainted with him, we can not give us good an account of his good acts and speak as well of him in a good many ways as we otherwise would do, but from what we have heard of the young man, we are prompted to speak very highly in his favor. His body was found at 5:45 yesterday evening. He came from Illinois last spring, and has, since that time, been running a billiard room here. He was 22 years of age.

The Collapse of the Morning Mail.

The time the old *Morning Mail* went to the wall, we think it was some time in January, 1886, it was a cold winter's night, the air was full of snow, when the climax was reached. Mr. W. L. Brown was then proprietor of the paper with Joe Fairfield as managing editor in charge. Mr. Brown had come down from Lincoln where he had removed. He came down on the evening train, and was met by Mr. Fairfield who, in his usual blank manner, says, "Brown, then fellows have quit work again." Says Brown, "What is the matter is there no copy on the hook?" "Matter! l—l," says Joe, "the hook is full of matter—the matter is the d—d fools have struck, and went work any longer without money, and I can't make collections enough to pay them or myself." And so, that winter's night, another bright light went out, never to brighten the pathway of republicanism again.

County Seat Question.

The unterified Weeping Water anarchists are again urging the question of the county seat removal. They have we understand, already commenced to get up their petition to present to the commissioners, in order to get it on wheels; and then will come the election, and it will take two thirds of the voters of Cass county in favor of the same to remove it. Our poor deluded brethren of the village forget that Plattsmouth City proper polls one fourth of the entire vote of the county, and with the other help the city can secure the movement, as all others have, will fall to the ground a failure.

Eight Mile Grove Items.

June 12, 1888.

A heavy rain sprinkled with considerable hail fell here last night.

Our young corn, which was so badly in need of rain looks better today.

The majority of the farmers around here have got their corn cultivated over the second time.

Esquire Morrow and W. Jenkins built

and put in the frame of a new bridge over the creek west of the M. E. church last week.

A part of the G. A. R. band met at the residence of Wm. Morrow, at Murray, to practice some new pieces of martial music.

William Minford rides in a new top buggy, and every Sunday he can be seen flying east in great haste. Getting tired of batching alone, Will!

The corner is growing to be a very popular resort for the young and old to meet on Sunday to skiff ride on Mr. Jenkins pond.

A. S. Will returned from Nebraska City one day last week with two young mule teams, which he bought there much cheaper than he could have done in this neighborhood.

Tewalt Valley drove into Mr. Swiger's yard and shot his dog for coming in his pasture and chasing his cattle in the barbed wire fence. Mr. Valley better take care of his dog or it may get shot for killing his neighbors' chickens.

Mr. and Mrs. W. H. Minford, after spending two weeks of honeymoon visiting among relatives, have gone to Lincoln, where Mr. M. is engaged in a real estate office, to make it their future home. Their many young friends wish them success in their new life.

Our school has become so large of late as to require an assistant teacher, at least a young Mr. Drew, of Plattsmouth, has been a regular attendant all last week. It may be the attraction of our beautiful young school "marm" that has taken him to school so very often.

ONE OF MANY.

Louisville.

Mr. and Mrs. Fred Stevens drove to Plattsmouth Sunday.

J. B. Yates and R. P. Loucks were at Ashland last Thursday.

Miss Mary DeWitt returned from her visit at Ashland Thursday.

Mrs. Truman Hill who has been very low with measles is convalescent.

Mrs. E. O. Mayfield of South Omaha, was in town Monday and Tuesday.

The exercises at the M. E. church Sunday evening (Children's day) was largely attended.

Miss Mamie Stevens who has been visiting in Plattsmouth for the past two weeks returned home last Sunday.

There was a meeting Wednesday evening to determine regarding a 4th of July celebration. We did not learn the results.

Tramps entered the stables of the Exchange hotel on Monday night and took all the articles to be found. Says "Fire the tramps."

W. B. Shryock returned from St. Louis on Friday. He reports a very pleasant time at an unusually large and harmonious convention.

Prof. Sutton is making a canvass of the town securing accommodations for teachers during the institute, he reports favorably so far.

The *Observer* has changed to more convenient quarters which shows it is prospering. They now occupy the building formerly used by Mr. Hensley as a harness shop.

There will be a strawberry and ice cream social at the old post office building on Friday evening under the auspices of the ladies aid society of the M. E. church.

Mr. A. Hudson, helper at the B. & M. depot was suddenly called to Lincoln Saturday. He could not go before Monday, for he said his best girl would not excuse him from the engagement he had with her for Sunday evening.

Mr. and Mrs. G. W. Mayfield was at Omaha Sunday. They received a telegram stating that their grandchild was not expected to live. Mrs. Mayfield is still there. Mr. M. returned Monday and reports that the child is not any better.

There are now about thirty empty houses in town with prospects of more, and yet some say that Louisville is lively. A traveling man informs us that this is about as quiet as any town he has visited.

SMITH.

Dress the Hair

With Ayer's Hair Vigor. Its cleanliness, beneficial effects on the scalp, and lasting perfume commend it for universal toilet use. It keeps the hair soft and silken, preserves its color, prevents it from falling, and, if the hair has become weak or thin, promotes a new growth.

"To restore the original color of my hair, which had turned prematurely gray, I used Ayer's Hair Vigor with entire success. I cheerfully testify to the efficacy of this preparation."—Mrs. P. H. Davidson, Alexandria, La.

"I was afflicted some three years with scalp disease. My hair was falling out and what remained turned gray. I was induced to try Ayer's Hair Vigor, and in a few weeks the disease in my scalp disappeared and my hair resumed its original color."—(Rev.) S. S. Sims, Pastor U. B. Church, St. Bernice, Ind.

"A few years ago I suffered the entire loss of my hair from the effects of tetter. I hoped that after a time nature would repair the loss, but I waited in vain. Many remedies were suggested, none, however, with such proof of merit as Ayer's Hair Vigor, and I began to use it. The result was all I could have desired. A growth of hair soon came out all over my head, and grew to be as soft and heavy as I ever had, and of a natural color, and *bravely set*."—J. H. Pratt, Spofford, Texas.

Ayer's Hair Vigor,

NOTICE

We earnestly request all of our friends indebted to us to call at once and settle accounts due. We have sustained heavy loss by the destruction of our Branch House at Fairmont, Neb., by fire and now that we need money to meet our obligations, we hope there will not be one among our friends who would refuse to call promptly at this particular time and adjust accounts.

Trusting this will receive your kind consideration and prompt attention, we remain,

Yours Truly,

SHAKER BOY!

Will make the season—
Mondays and Tuesdays at Home,
one mile east of Eight Mile Grove.
Wednesday to Saturday in Plattsmouth
At Louis Khroell's stable at the foot of Main Street.

SHAKER BOY

Is a Dark-Bay Pacer, 15½ hands high, weighing 1,200 pounds. His close, compact form and noted reputation for endurance and speedy progeny have justly earned for him the reputation, and encomium from the Editor of the "Spirit of the Turf," that he is one of the Best Sires of the age. His record is 2:26, and has paced trial miles in 2:16. His colts, Little Baby, 2:27½, and J. W. Hney, 2:24½, with more to follow in the charmed circle this summer, is certainly a great showing, and affords the public in this vicinity a grand opportunity to get valuable horses at low prices. His service of \$15.00, with \$2.00 added if not paid till after loading, or \$20 to insure colt to stand, is only the price of a good ordinary horse, while horses of SHAKER BOY'S blood lines receive from \$100.00 to \$300.00 in other localities. Horses of this kind, if not wanted for sporting purposes, can do more general work on a farm, on account of their extra nerve power, than unwieldy draft horses, and can go to town or to meeting in one half the time, and time is money. Owners of fine mares have a rare chance now for one of the cheapest horses in the United States. Embrace the opportunity.
