## THE SECOND DAY.

Dakota and Washington Territories Admitted to the Convention.

### A VERY SHORT SESSION TODAY.

#### A Cold and Silver Cayel Presented to the Convention.

CHICAGO, Ill., June 20, 11:15 a. m.—[Special to THE HERALD.]—The Tribune and Herald this morning say the New York delegation is divided, and that at least four of the delegates will not vote for Depew. This is the forecast of all the papers as to the outcome in their diagram of three days ago.

12:02—The Crowd is collecting slowly, and the convention will be called to order about 12:00. General Spaulding of Michigan says the sub-committee on platform has adjourned to 8:30 p. m.

12:29—The convention called to order. 1:30—Committee voted to effect permanent organization, and ex-Gov. Foster of Ohio, read the permanent organization report for platform. The report was adopted on motion of Mackee of Kentucky.

Mr. Estee was made permanent chairman of the convention, making a brief speech, in which he referred to the election in Oregon of two weeks ago. Roche of Illinois then took the platform and presented a solid silver and gold gavel to the convention. Mr. Works of Illinois, then presented to the chairman a gavel made of wood from a desk in the old tannery at Galena belonging to Grant, which was received with great applause.

1:42—Mr. Bayne, of Pennsylvania read the report of committee on rules, recommending that Dakota be admitted with 10 votes and Washington Territory with 6 votes. Hoar moved that the report of committee on rules be adopted with the exception of that relating to the election of alternates. Butterworth, of Ohio, moved that the limit of nominating speeches be 15 minutes and seconding speeches be 10 minutes. His motion was defeated.

1:59—Senator Johnson of New York moved to recommit rule ten to the committee, which motion was withdrawn after 8 minutes' discussion, and Hoar's motion to amend the phrasology of rule 10 was defeated. The original report was then adopted.

At 2:08 Senator Hoar of Michigan moved a recess be taken till 8 p. m. The motion was carried, and at 2:12 the convention adjourned to meet at 8 o'clock this evening.

#### Rumored Death of Stanley.

LONDON, June 19.—A rumor that Henry M. Stanley, the African explorer, is dead is in circulation in this city and Paris. There is no news in government or in Congo missionary circles in London or Brussels of the death of Stanley.

#### Union Talk.

Rev. Branston preached at Lewiston Sunday, last.

L. G. Todd shipped a car load of hogs from here last week.

Joseph Austin will soon put a new stock of goods in his store.

Harvest is almost here, she is only waiting on the weather, Rye will do to harvest in a few days.

We are in search of a newspaper, we like the HERALD. Can't ye editors start a branch printing house here?

Mr. McJones, who has been sick for some time was taken to St. Joe last week by his wife, where he will receive medical treatment.

There will be a meeting of the Liberty and Wyoming Stock Co., Saturday, June 30, at 2 o'clock p. m., which will be held at Mr. H. J. Davis.

The boys who have been playing ball on a tract of prairie near Union Sunday afternoons, have been threatened with arrest if they don't abandon it.

We have had plenty of rain during the past few days, which has been of great benefit to the crops. We can very nearly see the corn grow. Farmers are plowing their corn over the second time.

These are very important times and every one should take the "best" newspaper in the county, and that is the HERALD. Try it through the campaign and be convinced.

Mr. A. L. Becker butchered a beef last week and supplied Union and vicinity for a day or two. Abe thinks of starting a meat market here before long. Come right along Mr. Becker, we are in search of a good butcher and you are the one we want.

Respectful, STEVE.

#### Convention News.

The HERALD's bulletin of convention news, for the benefit of the public, will be located in front of M. B. Murphy's store, and our friends and the public will find thereon the latest dispatches.

#### An Outside Opinion.

A quarter column squib appeared in our sister ink fiend last night which was entitled an outside opinion. It certainly was an outside opinion, or we have not much respect for a head that would contain such a chunk of fool beef as to display as much ignorance. No doubt the author of the squib desired a little cheap notoriety by pondering a whole week probably in order to get his beef head to grasp what he had the gall to call an opinion, for the purpose of aspiring to editorship of the Journal during the campaign. We are quite sure he was in a sad condition of helplessness when he dropped his signature on the bottom of such a display of ignorance. He made a good display, and certainly showed that he knew nothing of what he was writing about. He made every effort his poor cranium was capable of tackling and tried to show Mr. Murphy up because he helped secure the printing for this office. Mr. M. was not the only man, as he stated, and if a thick skull could admit any reason, there might be a chance for such a man as Maguire, but as he is in such a sad plight, we expect nothing more of him. Perhaps we are foolish for using as much space over such a piece of worthlessness.

If such a man as Maguire would know what people require He would certainly close up his trap And save himself many a tap.

#### A Meeting of Seven Men.

CEAR CREEK, Neb., June 18.—A democratic meeting was held here tonight at Sayles hall. Three speakers came out from Plattsmouth, C. W. Sherman, editor of the Journal, Hon. J. C. Gilmore and Matthew Gering. After trying until ten o'clock they managed to get seven men and four boys together. Gering addressed the audience for about thirty minutes and then adjourned the meeting for one week to see if they could not get enough people together to elect officers for a permanent organization at this point.—Bee. The enthusiastic workers of the O. D. party here in Plattsmouth do not seem to be having much success in organizing democratic clubs throughout Cass county. Possibly the Cedar Creekites knew the delegation that was sent out from Plattsmouth and as soon as they found Sherman was to orate took to their holes or tall timber. We don't blame you boys you have our sympathy on this occasion, we would have done likewise.

#### Death of An Old Citizen.

MINATAKA, June 16, 1888. John H. Hilbert dropped dead without a moments warning on the 13th inst., eight miles above Ft. Laramie. A messenger was dispatched to this place immediately to his family, and his wife went to the Ft. where the remains were taken. Mr. Hilbert was an old citizen of Plattsmouth, he removed to this place two years ago from there, to prepare for himself and family a home, and has procured a lovely tract of land and was fast improving it; but right in the midst of his labor of love he was called to lay down his burden. He leaves a widow and five children to mourn his loss. (Journal please copy.) S. J. F.

#### The Fourth of July Celebration.

The following committees have been appointed by the fire department to get up a celebration for the Fourth of July: Arrangements: H. C. Ritchie, Jas. Patterson, Jr.; W. J. Streight, L. Reinhaekle, W. L. Thomas, Dan O'Rourke and Fred Kroehler. Finance: D. W. Jones, Geo. Poissell and Jas. Jones. Grounds: T. S. Clifford, E. Cunningham, E. Kildow, Doc Wheeler, W. J. Streight, J. C. Newell, S. Buzzell and A. Shumaker. Amusements: F. S. White, Wm. Neville and Geo. Poissell. Music: Wm. Latham, Finley Johnson and L. E. Skinner. The members of the above committees are requested to meet at the council chamber this evening at 8 o'clock to perfect preliminary arrangements. S. C. GREEN, Chief Dept.

For the next 10 days we will sell wall paper at 10 to 20% below our present very low prices to reduce stock and raise money, also white lead at \$8.00 per hundred lbs. and Linseed oil at 60 cts. per gallon. Those owing us book accounts will confer a favor by making settlement at once. d4t-wt. W. J. WARRICK.

Ayer's Hair Vigor is a universal beautifier. Harmless, effective, and agreeable, it has taken high rank among toilet articles. This preparation causes thin and weak hair to become abundant, strong, and healthy, and restores to gray hair its original color.

STRAYED FROM PLATTSMOUTH, NEB., about four weeks since, two ponies, one a bay mare with a star in forehead, the other a dark brown gelding, four white feet and white face. The finder will be liberally rewarded by returning one or both to GEO. H. BUCK, June 12, 1888. Wm. B. PORTER.

For chronic catarrh, induced by a scrofulous taint, Ayer's Sarsaparilla is the true remedy. It stops catarrhal discharges, removes the sickening odor, and never fails to thoroughly eradicate every trace of the disease from the blood. Sold by all dealers in medicine.

## The Old Doctors

Drew blood, modern doctors cleanse it; hence the increased demand for Alteratives. It is now well known that most diseases are due, not to over-abundance, but to impurity, of the Blood; and it is equally well attested that no blood medicine is so efficacious as Ayer's Sarsaparilla.

"One of my children had a large sore break out on the leg. We applied simple remedies, for a while, thinking the sore would shortly heal. But it grew worse. We sought medical advice, and were told that an alternative medicine was necessary. Ayer's Sarsaparilla being

above all others, we used it with marvelous results. The sore healed and health and strength rapidly returned." —J. J. Armstrong, Weimar, Texas.

"I find Ayer's Sarsaparilla to be an admirable remedy for the cure of blood diseases. I prescribe it, and it does the work every time." —E. L. Pater, M. D., Manhattan, Kansas.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier." —W. T. McLean, Druggist, Augusta, Ohio.

"Ayer's medicines continue to be the standard remedies in spite of all competition." —T. W. Richmond, Bear Lake, Mich.

## NOTICE

We earnestly request all of our friends indebted to us to call at once and settle accounts due. We have sustained heavy loss by the destruction of our Branch House at Fairmont, Neb., by fire and now that we need money to meet our obligations, we hope there will not be one among our friends who would refuse to call promptly at this particular time and adjust accounts.

Trusting this will receive your kind consideration and prompt attention, we remain,  
Yours Truly,

— Will make the season —  
**Mondays and Tuesdays at Home,**  
one mile east of Eight Mile Grove.

**Wednesday to Saturday in Plattsmouth**  
At Louis Khroell's stable at the foot of Main Street.

## SHAKER BOY

Is a Dark-Bay Pacer, 15½ hands high, weighing 1,200 pounds. His close, compact form and noted reputation for endurance and speedy progeny have justly earned for him the reputation, and encomium from the Editor of the "Spirit of the Turf," that he is one of the Best Sires of the age. His record is 2:26, and has paced trial miles in 2:16. His colts, Little Baby, 2:27½, and J. W. Huey, 2:24½, with more to follow in the charmed circle this summer, is certainly a great showing, and affords the public in this vicinity a grand opportunity to get valuable horses at low prices. His service at \$15.00, with \$2.00 added if not paid till after foaling, or \$20 to insure colt to stand, is only the price of a good ordinary horse, while horses of SHAKER BOY'S blood lines receive from \$100.00 to \$300.00 in other localities. Horses of this kind, if not wanted for sporting purposes, can do more general work on a farm, on account of their extra nerve power, than unwealdy draft horses, and can go to town or to meeting in one-half the time, and time is money. Owners of fine mares have a rare chance now for one of the cheapest horses in the United States. Embrace the opportunity.
