Last night the flag was bedraggled and five of the men who followed it were jailed. Yesterday was labor day and 1,200 men formed in line, and with music and waving emblems paraded the down town thoroughfares and then withdrew to a garden in the suburbs. Anarchists were in the procession, and, declaring them selves to be carpenters, they were permitted to retain the place they had quietly dipped into. At the garden they unfurled their flag and refused to acknowledge their flag. When the committee turned their backs, however, the anarchists Baker's neck and seized their emblem of blood and waved

#### TWO LYNCHINGS IN TEN DAYS. Webster County Again the Scene of Lawless Justice.

The Victim of a Brute's Fury. GUIDE ROCK, Neb., Sept. 3-Webster county, in which less than two weeks ago the lynching of the desperado Bill Cole took place, was yesterday the scene of a similar event.

This second outbreak of lawless justice was the sequel of one of the most horrible tragedies in the history of crime.

It occurred on a farm belonging to a man named Weeks, living not far from spending their time and all their money

among those in his employ was a man named John Baker. Baker was feeding the thresher and had a young boy cutting bands for him. While the men were slip, striking Baker on the hand and inflicting an ugly wound.

FOREIGN RELATIONS.

The conduct of foreign affairs by the present administration has been distinguished by inefficiency and cowardice. Having withdrawn from the s-nate all pending treaties effected by republican administrations for the removal of foreign burdens and restrictions upon our commerce and for its extension into a better market, it has neither affected nor proposed any others in their stead. Professing adherence to the Monroe doctrice, it has seen with idle complacency the extension of foreign trade everywhere among our neighbors. It has refused to charter, sanction or encourage any American organizytion for constructing the Nicarngua cannal, a work of vial importance to the Raintenance of the Monroe doctrice and of our national influence in Central and South America, and necessary for the development of trude with our Facine territory, with South America, and with the further coasts of the Pacific Ocean.

CIVIL SERVICE REPORM. The men who abandoned the republican party in 1834 and continue to adhere to the democratic party have deserted not only the cause
of housest government, but of sound finance, of
freedom and purity of the ballot, but especially have deserted the cause of reform in the
civil service. We will not fail to keep our

because their candidate has broken his. We
therefore repeat our declaration of 1884, towit;
The reform of civil service auspiciously begun
under republican administration should be
completed by a further extension of the reform
system already established by law to all grades
of the service to which it is applied. The spirit and purpose of reform should be observed in
all executive appointments, and all laws at
