A Point for Congress to Settle.
Boston, Sept. 28.—The department of the state of Massachusetts has written to Senator Hoar calling attention to the following discrepancy in the electoral college laws: The United States statutes provides that messengers from the electoral colleges in the various states shall deliver their copies of the votes of their colleges to the president of the senate before the first Wednesday in January. The colleges have met heretofore on the first Monday in December, but the law passed by Congress in 1888 changed the time of meeting to the second Monday in January, while the provision regarding the delivery of the vote was left unaltered. The question will have to be settled by the authorities at Washington.

The Hastings Presbytery.
ORLEANS, Meb., Sept. 28.—The Presbytery of Hastings is meeting in this place. Rev. A. B. Byram, of Edgar, is the moderator. There are some 25 members present. The exercises have been of considerable interest, and show that the Presbyterian church is doing faithful work in southwestern Nebraska. Their college at Hastings is proving itself worthy the patronage of Nebraskans who desire their young people well educated.

Governor Guy Takes His Seat by Force of Arms.

St. Louis, Sept. 29.—Information comes from Dougherty, Tex., that Governor Guy marched into Tishomingo, the Chickasaw capital, yesterday with an armed force and took his seat. Governor Guy was legally elected governor but was counted out by the Byrd party, and Byrd took his seat as governor. Guy quietly gathered some of his party and took the capital by surprise. The legislature had not adjourned. The administration had been calling on the Guy party for all moneys, reports, etc., but was quietly put off until Guy was ready to possession again. There was no trouble, but it is expected at any time, and Governor Guy will do all in his power to prevent it. As soon as the Byrd men are aware of the change in governorship hot times are expected.

A CARD.

Having this day sold my stock of Hardware, Stoves, Tinware, etc., to Messrs. Brokenfeldt & Weidman, I would respectfully and earnestly ask that all those in my debt come forward promptly and settle their accounts; as it will be necessary for me to close up my business as speedily as possible before engaging in other pursuits. I also take this occasion to thank the public, both in the city and county, for the very liberal patronage given me during the time I have been engaged in business here, and hope the same will be extended to my successors.

OH! MY HEAD.

The pain from Neuralgia and its companion disease Rheumatism is excruciating. Thousands who could be quickly cured are needlessly suffering. Ath-lo-pho-ro will do for others what it did for the following parties:

Williamsport, Ind., Oct. 8, 1887.
Having been afflicted with neuralgia for the past four years, and trying almost everything, but in vain, I finally heard of Ath-lo-pho-ro. After taking one bottle I found it to be helping me, and after taking four bottles the Ath-lo-pho-ro and one of Pills I found that I was entirely well. I think the medicine is positively "Thru" cure.
CHAUNCEY B. REDDICK,
Mt. Carmel, Ill., Dec. 26, 1887.
I have used Ath-lo-pho-ro in my family and find it to be the greatest medicine for neuralgia in existence and having had the same fastened upon me for the past 30 years I know where I speak. Mrs. JULIA CHILTON,
