**With Harrison, Morton and Protection our battle cry and song,
Dear to every true American heart from Maine to Oregon,
We've won a victory for American homes and industries,
Which are prized within our hearts as equal to all our liberties.**

**To Johnny Bull who once would have split this land of ours assunder,
This news of Tariff victory will come as a Yankee wonder,
For to his Free-Trade Grover Cleveland, in his dark and troubled hour,
He has been a brother, acting with his strength as right-hand bower.**

**The people of this broad land now rejoice with a joy that's grand and pure,
For with these chosen heroes at our head, Free Trade we'll ne'er endure,
We'll pay fair wages to our laborers in every town and state,
And keep Protection for the industries that made our Nation great.**

VICTORY!

Benjamin Harrison Will Occupy the White House for the Next Four Years.

HIS ELECTION IS ASSURED
New York and Indiana Both for Harrison, Morton and Protection.

Brice Concedes Harrison's Election.
New York City, Nov. 8.—1 p. m.—Chairman Brice, of the Democratic National committee, concedes the election of Harrison for president.

Indiana.
INDIANAPOLIS, Nov. 7.—Attorney General Miller, on behalf of General Harrison, wired W. W. Dudley, of the national republican committee, this afternoon, inquiring with regard to the correctness of the report ascribed to Senator Gorman, alleging the discovery of an error in the returns of Kings county which will give New York state to the democrats. Col. Dudley, at 4 p. m., sent the following to General Harrison:

"There is positively nothing in it. Our people are guarding the returns from Kings county and other precincts and counties with absolute vigilance. Fraud is barely possible, but it will not be permitted if the most perfect espionage by honest, brave men can prevent it. The state is now ours. If there is any change it will be more."

The following telegram was received by General Harrison:
New York, Nov. 7.—To General Benjamin Harrison: Cordial congratulations. New York is supremely happy. The republicans are jubilant and the democrats shedding their tears.

CHANCEY M. DEWEY.
860 precincts in Indiana give Harrison 136,203, Cleveland 128,648. The same precincts in 1884 gave Blaine 123,744, Cleveland 122,711.

The following dispatch was received from Chicago:
To Hon. Benjamin Harrison, Indianapolis, Ind.—Congratulations upon your election. Chicago is proud of the fact that her great auditorium was dedicated by the nomination of our country's next president.
FRED W. PECK.

917 precincts in Indiana give Harrison 145,941, Cleveland 138,365. The same

precincts in 1884 gave Blaine 132,573, Cleveland 131,395. This included all of Major county except four precincts. The official vote of Indianapolis city and Marion county gives Cleveland 398 majority. Secretary Shurin of the democratic national committee said tonight that it looked now as though General Harrison had carried the state, but it would require the official returns to determine.

At 10:30 this evening the democratic committee rooms were deserted. Chairman Jewett said: "The indications are that the republican electors have carried the state. The official count may show differently. The probability is that we have elected a part of our state ticket. We have elected ten congressmen, a gain of four. We have a certain majority in the state senate of six, and in the lower house of twenty, giving us control of the joint ballot. I do not care to say anything about the methods by which this was accomplished."

New York.
New York, Nov. 7.—Chairman Quay authorizes the following statement: The republicans on Tuesday carried by increased majorities all the states carried by Mr. Blaine in 1884, and in addition have New York by a plurality of 15,000, and Indiana by a plurality of from 4,000 to 6,000. West Virginia is in doubt. General Harrison's election is assured.

11 p. m.—The unofficial vote of all counties in the state, as far as returned, show pluralities for Cleveland of 78,956 and for Harrison 90,147, giving Harrison a plurality in the state of 11,191.

The Sun this morning will say: "Harrison has 11,762 plurality in New York state and Hill 18,952." It says that the next house of representatives will be so evenly divided between the two parties that an official count will be necessary to decide which is in the majority. It has figures to show that Indiana gives Harrison a plurality of about 2,000. Connecticut is democratic by 494.

ALBANY, Nov. 7.—The Argus (dem.) gives Harrison a majority of 10,000 over Cleveland.

California.
SAN FRANCISCO, Nov. 7.—Returns throughout California are coming in very slowly, and as there are no complete city or county returns there is no basis of comparison with 1884 possible. The republican and democratic state committees

both claim the state, the former by from 7,000 to 9,000 while the democrats contend that their ticket will have a majority of 2,000 or 3,000. The city of San Francisco has been carried by the democrats. The Evening Post (rep.) says that Cleveland's majority in the city will be 4,500, while the democrats claim that the majority will approximate 8,000 to 9,000 in the city, and that the republicans will not come to the city with a sufficient vote to overcome this. The entire democratic ticket in San Francisco is elected.

LOS ANGELES, Nov. 7.—Ninety-three out of one hundred and thirty-one precincts in this city and county give Harrison 10,318, Cleveland 7,758.

SAN FRANCISCO, Nov. 7.—A Chronicle special from New York says that Chairman Brice concedes the election of Harrison.

SAN FRANCISCO, Nov. 7.—The Chronicle election of four republican congressmen in the interior districts, as follows: In the First and Second districts Thompson and Biggs (dem.), and present incumbents, have been defeated by De Haven and Eagan (rep.), McKenna and Van De Ver (rep.) have been re-elected in the Third and Sixth districts. Returns from the Fourth district are meager, and no indication is given as to whether or not Morrow (rep.) has been re-elected. Returns from the Fifth district are also meager and no conclusions can be based upon them.

Seventeen thousand votes had been canvassed in the city of San Francisco up to 2 o'clock this afternoon, out of 54,000 cast. The vote gives Harrison 8,292, Cleveland 8,750. Naper county returns (complete) give Harrison 1,732, Cleveland, 1,483. In 1884 it gave Blaine 1,590, Cleveland 1,258. Sacramento county (complete, except one precinct) gives Harrison 4,670, Cleveland 3,357. In 1884 it gave Blaine 4,368, Cleveland 2,664.

West Virginia.
WHEELING, Nov. 7.—Atkinson (rep.) is elected over Pendleton (dem.) for congress in the First district, by 600 majority.

WHEELING, Nov. 7.—Fourteen out of twenty-four precincts, casting one-third of the vote of the state, show republican gain of 1,662. If corresponding gains are made in the rest of the state it will give 600 republican majority.

WHEELING, Nov. 7.—It is pretty well assumed that the legislature will be republican. Atkinson (rep.) is elected to congress in the First district, and Jackson (dem.) in the fourth. The Second and Third are in doubt. Both state committees claim the election of governor and the fight is very close. This city gives Cleveland 7 majority, republican gain of 188.

WASHINGTON, Nov. 7.—A special to the Post from Alexandria, Va., says the secretary of the democratic state committee claims the state for Cleveland by a reduced majority, probably between 4,000 and 5,000.

Louisville.
W. B. Shryock was at the county on Wednesday looking after the election returns.

Superintendent Maynard Spink passed through the city yesterday enroute to Plattsmouth.

Every thing at election was quiet and satisfactory; the vote stands 116 democratic and 115 republican.

Mr. A. W. Hall has changed location from the Pacific house to the Louisville house.

Mrs. F. S. Rockwell left for McCook Monday morning on the flyer.

Our town was honored with the presence of a goodly number of teachers last Saturday; they report a profitable and pleasant "local."

Miss Stoll Neely and her two sisters have been quite sick but are slowly improving.

Mrs. M. Peterson and her son were in Omaha on business Tuesday.

A single bottle of Ayer's Sarsaparilla will establish the merits of this medicine as a blood purifier. Many thousands of people are yearly cured of chronic diseases by the faithful use of this remedy. It is unequalled for the cure of scrofula.
