### DRESSED BEEF MONOPOLY.

#### The Senate Committee Now In Session at St. Louis.

St. Louis, Nov. 21.—The Vest Senate committee to investigate the alleged dressed beef monopoly, held a preliminary meeting at the southern hotel this morning for the purpose of agreeing on a plan of procedure. All of the senators composing the committee are now here, namely: Vest, of Missouri, chairman; Manderson, of Nebraska; Plumb of Kansas; Cullum, of Illinois; and Coke, of Texas.

At 2 p. m. the committee announced itself ready to begin work. Senator Vest explained in opening that an impression had been created that this committee had some connection with the convention of the Range association and butchers. This was not the case.

The committee was not here to "defend or attack any interest." Senator Vest then read the resolution under which the committee had been appointed in substance to make investigation as to the transportation of beef cattle and whether any combination on the part of the trunk line association, control traffic association or other agencies of transportation, or among those engaged in buying and shipping meat products whereby the price of beef and beef cattle had been so controlled as to diminish the prices paid producers without lessening the cost to consumers. The only witness examined was D. H. Snyder, a ranchman residing at Georgetown, Williams county, Texas. The committee adjourned to meet this morning at 10 o'clock.

### Ejecting the Settlers.

WATERLOO, Ia., Nov. 31.—About a dozen ejections from the Des Moines river lands have been made by the federal authorities. At one place horns were blown by farmers as a signal that the marshalls were coming. The settlers responded by coming out to defend their homes with force, but scattered at the sight of guns. No shots were fired. The posse visited a number of localities, seizing horses and cattle to pay the costs. One farmer named Boyington resisted desperately, but was overpowered and ejected.

### South Carolina's Railroads.

COLUMBIA, S. C., Nov. 21.—The annual report of the state railroad commission issued yesterday, shows an increase in the mileage of the railroads of South Carolina of 9 per cent during the past year, and the remarkable increase of 38 per cent in their net earnings, the year having been an exceedingly prosperous one. The gross receipts increased nearly \$1,000,000 while the expenses increased about \$300,000.

### Pennsylvania's Entire Vote.

HARRISBURG, Pa., Nov. 21.—Entire returns from all the counties in the state show that almost one million votes were cast for president. Harrison's was 79,346, and his majority over all was 54,905.

### Yellow Fever Statistics.

JACKSONVILLE, Fla., Nov. 21.—There were twenty new cases of yellow fever during the twenty-four hours ending at 6 a. m. yesterday, and one death. Total cases, 4,643; total deaths, 403.

### A Weaver's Strike.

NEWBEDFORD, Mass., Nov. 21.—About 160 looms in Wamsutta mills No. 1 are idle, as all of the wide loom weavers in that mill have struck work because of additional fines for black marks in weaving.

### The Alabama Count.

MONTGOMERY, Ala., Nov. 20.—The vote cast for presidential electors was counted today by the governor and secretary of state. Cleveland receives 117,810 votes, Harrison 57,197, Fisk 583.

### After Many Years.

PARIS, Nov. 21.—The police of Lille have arrested a gang of six men, who several years ago stole in Brussels and Mons bonds to the value of \$100,000, which they negotiated in England.

### Senator Colquitt Re-elected.

ATLANTA, GA., Nov. 21.—A. H. Colquitt was yesterday re-elected united States senator.

### Clothing must go, Men's Business Suits at \$4.60.

Elson, the One Price Clothing Store.

### Cedar Creek Mills.

Mr. Fred Schroeder, the enterprising proprietor of the Cedar Creek mills, has fitted up his machinery in first class shape and is now prepared to supply the demand. He has put in a new thirty horse-power engine, and is ready to open up the mill and commence work.

### AN AMUSING BLUNDER.

Perhaps the most diverting blunder made by the democrats in counting out republicans-elect to the next congress came off in the Second North Carolina district. Cheatam, the republican candidate was understood to be 4,500 ahead, and the democratic returning boards threw out two counties entire, and several precincts in another county and supposed that the matter was satisfactorily settled. But when they came to make the official count of the district, behold Cheatam was still 670 votes ahead. The democratic state committee was astounded at the result and immediately ordered the canvass to be made over from the bottom up. This time they made a clean sweep by throwing out five thousand additional votes for Cheatam on the ground that his tickets were headed "For the Fifty-first congress, Second district." This was the head decided upon by the republican committee as complying exactly with the law and it differed from the heading of the democratic ticket only in having the additional words, "Second district."

Information in the hands of the republican national committee indicates that about fifteen republican members of congress elected by the actual returns in the solid south will be refused their certificates and the same will be issued to their democratic opponents. Two in Arkansas, two in Kentucky, three in Virginia, one in Maryland, two in West Virginia, two in Louisiana and three in North Carolina. And yet it is probable that the frauds will not avail to make the house democratic on its face when it meets.—Lincoln Journal.

### Greenwood Greetings.

ED HERALD.—Dear Sir:—Please allow space in your columns for a few items from Greenwood. It is the only way now we can be heard, as the Journal (our last paper) has flown. It has gone to Eagle to keep AH Cooly cool.

### W. L. Holland, of South Omaha, is in town visiting friends this week.

### Church festivals, oyster suppers, lectures, dances, and protracted meetings will soon be in order.

The M. E. church directors are talking of buying the late residence of Edwin Jeary for a parsonage, and we think it is a nice place, cheap, and offered on easy terms.

Atty. C. A. Wousley and G. W. Clark are attending district court at Plattsmouth this week.

Hon. Edwin Jeary has moved his family and effects to his new home on E street, Lincoln; and James W. Bouk, the Greenwood seed man has moved to the house formerly occupied by Mr. Jeary.

If reports are true, some of our democratic friends here need attention. A gentleman was telling me today that some of the most prominent ones have been off of feed for fully fifteen days and are getting very poor and weak. And we have been very creditably informed that some of the boys have needed a night watch since November 8, to prevent indigestion, caused from an over dose of crow.

On Wednesday evening last we had one of the uproarious ratifications ever held in this "neck o' the woods." Fully two thousand citizens were out to see the "elephant" and to see who could make the most noise. Tin horns, brass bands, whistles, horse rides, bon fires, and little boys' lunch were the order of the night till the wee sma' hours of the morning.

Mr. Henry Cutler and Miss Lillie Walker, of this place were united in marriage last week and are now sight-seeing in Denver.

### More anon.

### SELAH.

That dainty lady tripping by,  
How light her step, how bright her eye,  
How fresh her cheek with healthful glow.

Like roses that in Maytime blow!  
And yet a few weeks have passed away  
Since she was fading day by day.  
The doctor's skill could naught avail;  
Weaker she grew and thin and pale.  
At last, while in a hopeless frame,  
One day she said, "There is a name  
I've often seen—a remedy—  
Perhaps, 'twill help; I can but try."  
And so according to direction,  
She took Dr. Pierce's Favorite Prescription.

And every baleful symptom fled,  
And she was raised as from the dead.

### Assigned.

HASTINGS, NEB., Nov. 20.—Miller & Schack, merchant tailors of this town, assigned yesterday. The liabilities will amount to about \$4,000. The assets will probably more than cover the liabilities.

No woman can be contented and happy if her skin is covered with pimples and blotches. These disfiguring eruptions are easily removed by the use of Ayer's Sarsaparilla. This medicine is perfectly safe to take, and is a thoroughly reliable blood purifier.

#### Sheriff's Sale.

By virtue of two executions issued by W. C. Showalter, clerk of the District Court, within and for Cass county, Nebraska, and to me directed, I will on the 5th day of December, A. D. 1888, at 2 o'clock p. m., of said day, at the south door of the court house in Plattsmouth, in said county, sell at public auction, the following real estate, to-wit:  
The east half (1/2) of the northwest quarter (1/4) of section nine (9) in township twelve (12) north of range thirteen (13) east, and the east eighteen and one-half (18 1/2) acres of the same section, together and being the same.  
The same being levied upon and taken as the property of Thomas J. Thomas, defendant, to satisfy a judgment of said court recovered by Hans R. Sundell and Hans P. Sundell, assignees of the Farmers and Merchants Insurance Company, plaintiff, against said defendant.

J. C. EISENBARY,  
Sheriff Cass County, Neb.

GEN. HARRISON will not appoint Democrats to office, and he does not play poker; the Democratic Senators will not have much impediment to pass their evenings at the White House during his Administration.

"All other goods by fortune's hand is given."  
A wife is the peculiar gift of Heaven.

Is your wife changed, your home unhappy! Does she go about with gloom on her face and do you see no more the smile that won you? Is it because she is bilious. Bile causes half the misery of the world. Her system is clogged up, her head aches. Get her a vial of Dr. Pierce's Pleasant Pellets and they will give her relief and the atmosphere of home will grow bright again. One tiny sugar-coated Granule dose.

MESSRS. PROCTER & GAMBLE, CINCINNATI, O.

GENTLEMEN:—Although a stranger to you, and my testimonial entirely unnecessary, as it certainly is unsolicited, yet I take great pleasure in testifying to the excellence of your IVORY SOAP, and thanking you for putting it on the market at so low a price.

It has entirely supplanted the use of Castile and other fine soaps in my household for several years past, being in no way inferior and from fifty to seventy-five per cent more economical.

A good test I find for the purity of a soap is to try it with a brush for cleansing the teeth, and the taste of the Ivory so used is perfectly sweet and clean.

Very Respectfully Yours, W. S. BAKER, M.D.

#### A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the 'Ivory';" they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.
