A Happy Event.
From Thursday's Daily.
A happy event occurred yesterday afternoon about 2:30 o'clock at the residence of Mrs. Kate Oliver in the marriage of her daughter, Miss Julia, to Mr. Charles Eads. It was the most extensive affair which has been seen in this city for many a day, nearly a hundred guests being present. Joy apparently reigned supreme in the presence of the happy couple, and each face in the large assemblage expressed a sentiment of good wishes for future happiness and prosperity to the contracting party. The bride and groom are both favorably and extensively known here, having resided here for years and earned the friendship of many. The bride was attired in a most beautiful pea green silk and presented a very charming appearance. Rev. J. T. Baird of the Presbyterian church tied the knot. Miss Eda Wiggenshorn, of Ashland, acted as bridesmaid, and Mr. D. C. Morgan, of this city, as groomsmen, and they performed their parts gracefully. The happy couple took their departure for Burlington, Ia., the home of the groom, by the flyer shortly after the ceremony was performed. Refreshments, consisting of all the delicacies of the season, were served in abundance shortly before the couple took their departure.

Another Papal Receipt.

DUBLIN, Nov. 16.—The Irish bishops have received another papal receipt. It orders them to actively execute the former receipt, which instructs them to denounce the plan of campaign and boycotting. It also orders them to direct priests to preach against agitation, and to forbid them to take part in boycotting and plan of campaign movements, which they must oppose with all means in their power.

The Strike Compromised.

LAFAYETTE, IND., Nov. 17.—The brakemen's strike on the Louisville, New Albany & Chicago railroad was compromised yesterday, the company agreeing to pay through brakemen 2 cents a mile and local brakemen 2 1-10.

Supposed to Have Foundered.

BOMBAY, Nov. 16.—The coasting steamer Vatarina, which left Cutch, India, for Bombay with 900 natives on board, is a week overdue. It is supposed she foundered in the recent cyclone, and that all hands were lost.

Celebration at Greenwood.

GREENWOOD, NEB., Nov. 15.—The closing political event of the year was the republican ratification here last night. There were few visitors but the people of Greenwood turned out en masse to witness, or assist in, the final work of the campaign. The ladies' club which has assisted so much during the campaign, completed its work, and with three rousing cheers for the successful candidates of the country, state and national tickets, they disbanded. The town was beautifully illuminated, and the display of fireworks very fine. Many democrats assisted in the ratification, but hardly with the same spirit of the old republicans, who are wild with enthusiasm over the success of the national ticket.

Woman's Congress.

DETROIT, Nov. 16.—At the morning session of the woman's congress, reports from the vice presidents and various committees were made, embracing the moral, industrial and educational condition of women in the several states. According to these reports the general condition of women is advancing steadily. Some comparative statistics on the question of the labor of men and women were presented, but they were of a fragmentary character. The report of the treasurer shows that all bills have been paid and there is a comfortable balance in the bank.

Yesterday afternoon Mrs. Nellie Reid Cody, of Iowa, read a paper on organization among women.

Pirates on the Missouri.

NEBRASKA CITY, Nov. 15.—Last evening a request was received by the chief of police to look out for five men, supposed to be coming down the river on a flatboat which they had stolen, together with other property, at Plattsmouth. This afternoon a boat answering the description of the one stolen came down to the pontoon bridge and was taken in charge by the police. There were five men on board and they are now in jail. All the stolen property was recovered.

The Express Company Pays.

NEW YORK, Nov. 17.—The Adams express company has paid to Treasurer Hyatt \$1,400 being the amount due which was lost between New Orleans and Washington from the shipment of silver, when shot was substituted for stolen money.

Small Boys "Chip In"

BATTLE CREEK, NEB., Nov. 15.—The citizens of Battle Creek ratified Tuesday evening in a way amusing to all. It was a surprise to themselves. It started by some small boys "chipping in," buying two bunches of fire crackers and hurrahing loudly for Harrison while firing them off. Two or three men started in search of empty oil barrels and boxes, and soon had a bonfire that brought out the brass band. Meadow Grove citizens saw the fire and came down with their martial band. This brought out the cannon, and the jubilee was kept up half the night.

A Bible Lesson.

"Johnnie, who was the most patient man?"
"Gen. Harrison."
"Harrison? Well, I expected you to say Job; but since Harrison reads several thousands of letters of congratulation without murmur every day, I guess you're right. Please move to the head of the class."

Waterworks Completed.

STROMBURG, NEB., Nov. 17.—The wells to the waterworks were tested Thursday, and from all appearances, so far as tested, the supply of water will be sufficient. The standpipe was completed yesterday and all the connections made, and the work of giving the system a final test will commence.

From Friday's Daily.
—The county commissioners have secured the contract to fill up the creek on Pearl street between Third and Fourth. The ground to be used for that purpose is hauled from the side of the bluff in that vicinity on Third street and as it is being cut down the handsomer the street appears. It will be found necessary to fill up all the old creeks which have been blocked up, before the end of next summer, no doubt, for the stagnant water with which they are filled will give great encouragement to fevers.

—O'Rourke's dog, of Plattsmouth, cast its vote for keeping the county seat at that burg. Down there they think it is funny, but it is an insult to the people just the same. The canine is a very intelligent one, a ticket was put in its mouth, which it carried to the darkened window. The ticket was taken from its mouth, and a bystander called its name. Citizens of Cass county, how do you appreciate such jokes. The Eagle admits that the dog had more right to vote than 1,000 men who did. —Weeping Water Eagle.

My Poor Back!

That "poor back" is held responsible for more than its share of the sufferings of mankind. If your dog bites a man who kicks it, do you blame the dog? On the same principle the kidneys utter their protest against nervousness, impure blood, and resulting constipation. These force them to do extraordinary work in ridding the system of the poisons which are the result of effete matter retained in the blood. Then the sufferer says the back aches; the kidneys are diseased. "Not yet;" but they will be unless the nerves are strengthened, the blood purified, and the constipation of kidney troubles, and Paine's Celery Compound removes them quickly. With its tonic, purifying, and laxative effect, it also strengthens the weak kidneys, making it almost infallible in curing all diseases of the nerves and kidneys. If your hopes of cure have not been realized, try Paine's Celery Compound; it gives perfect health to all who complain of "their poor backs." Price \$1.00. SOLD BY DRUGGISTS.
