AN EDITOR'S LIFE.

Exchange.

One of the beauties and charms of an editor's life is in his deadheading it on all occasions. No one who has never feasted on the sweets of that bliss can begin to take in the glory of its happiness. He does \$100 worth of advertising for a railroad, gets a "pass" for a year, rides \$25 worth, and then he is looked upon as a deadhead or a half-blown deadbeat. He "puffs" a concert troupe \$10 worth and gets \$1 in complimentary, and is thus passed "free." If the hall is crowded he is begrudged the room he occupies, for if his complimentaries were paying tickets the troupe would be so much in pocket. He blows and puffs a church festival free to any desired extent and does the poster printing at half rates, and rarely gets a thank you for it. It goes as part of his duty as an editor. He does more work gratuitously for the town and community than all the rest of the population put together, and gets cursed for it all, while in many instances where a man who donates a few dollars to a fourth of July celebration, base ball club, or church, is gratefully remembered. Oh, it is a sweet thing to be an editor! He passes "free" you know.

GROVER'S PLEASANT RIDE.

Cincinnati Commercial.

Yesterday Grover Cleveland drove out from Washington to Red Top. So the press dispatches told the country. Well,

the account might have been more complete with exhausting all the truth in the case or interest in the subject. He drove over a road highly improved with public moneys and solely to benefit a great crowd of real estate syndicates. Those who thus used the public funds were his own district officials selected by him and representing him. What they did was to extend a costly avenue and other roads for several miles over a rough and almost uninhabited country from the city to his own Red Top. He had previously bought this and improved it at a cost of about \$36,000. The improvements made by his officials at public expense, and uncalled for by any public interest, ran the value of his investment up more than \$100,000 in three years, and this is the sum which he cleared in cold cash as a result of the diversion of public funds by his own officials, and with his sanction to promote real estate speculation. The drive must have been an exceedingly interesting one to the ex-president.

AScrap of Paper saves Her Life.

It was just an ordinary scrap of wrapping paper, but it saved her life. She was in the last stage of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, Druggist, Fort Smith. Trial bottles of this wonderful Discovery free at F. G. Fricke & Co drugstore.

The New Discovery.
You have heard your friends and neighbors talking about it. You may yourself be one of the many who know from personal experience just how good a thing it is. If you have ever tried it, you are one of its staunch friends, because the wonderful thing about it is, that when once given a trial, Dr. King's New Discovery ever after holds a place in the house. If you have never used it and should be afflicted with a cough, cold or any Throat, Lung or Chest trouble, secure a bottle at once and give it a fair trial. It is guaranteed every time, or money refunded. Trial Bottles Free at F. G. Fricke and Co's, Drugstore.

The Verdict Unanimous.
W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best-selling medicine I have ever handled in my 20 years experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at F. G.
