MONE GENUINE WITHOUT THE S/A LABEL MANUFO by WM. AYRES & SONS, Philada., who make the famous Horse Brand Baker Blankets.

WITH three railroads Platesmouth would distance all competitors for the place ofthird city in the state.

California's peach crop is greatly damaged by excessive moisture. We In a case of this kind we think the pub will take chances on the Nebraska peach crop if we can only get the moisture.

At the great labor parade in Londo: on Sunday, over 170,000 people were in the linesof march while the parks were aid to have contained a full half a million of sympathizers.

THE Globe Democrat says the Missis sippi river is too old to be getting out of its bed at unseemly hours and making trouble with its neighbors. It is too lively for a river of its age.

HEAVY falls of snow all over the northwest coupled with local hail storms, came very near giving us a Siberian wave last night cold enough for frost. Thereprobably was frost on the low lands

"The Democrats don't like the proposi tion to give the Republicans actual as well as theoretical control in the Senate, but they will have to bow to the mevita ble there as they did in the House."

"SPEAKER REED is so busy convincing democrats who are present in the body that they sare also present in the spirit that he has no time to deny the reports that he is in the race for the presidency.

Notwithstanding there has been no rain worthy of mention for more than six months, yet corn and small grain an looking fairly well which is good proof of the excellent quality of Nebraska's wonderful subsoil. A country that can grow anything after a six months droutle is bound to be a leader.

Politicans who claim to know something about the matter say that the new ballot-reform law in New York will reduce the Democratic vote 40,000 in that State. Half of this cut would make the State reliably Republican in four out of every five elections.-Globe Democrat.

TAMMANY HALL the New York hot bed of democratic thievery is again in turmoil. Damaging disclosures have recently been made showing the mayor of the city Mr. Grant and some of his friends in the attitude of Boss Tweed stealing from the city by the hundred thousands.

MAYOR GRANT has exaggerated ideas of the duties of a God father and since he has admitted that he gave little Flossie Crooker \$10,000 simply because he has a cepted the relationship of god-father to her, all the ladies of New York will be willing to call upon the handsome bachelor mayor to stand sponsor for their children.-Ex.

THE Sidney Journal wants somebody to "fetch Bro. Smythe, of the Kearney enterprise a vigorous swipe across the mouth." Bro Smythe thereupon offers Col. Robertson, of the Journal an option on the job. Col. Rob rtson declines because bricks big enough for the purpose can't be grown in Cheyenne county Sweet peace spreads its wings, and noth ing is heard from the west but a low swishing sound that seems to come from the tank in which Brother Smythe keeps his gray matter. When he gets his reply thought out it will have fur on it,-State Journal,

> Ir is said, since Dan Loment has cessed to stand guard over Grover Cleveland, his paramount ability doesn't seem to shine out us it did of yore, since he esn't afford to hire a bright man to do his thinking for him, he has been saying so much medicare stuff and nothng of important, that ey notice best riends are thereing a roll to themleter on what they once called their own of

> OUR Washington correspondent tells of a disgraceful scene at the funeral of Senator Beck yesterday. A member of congress who attempted to board the funeral train, was found to be so hopelessly drunk that he was unfit for travel. lie have a right to know who the man was who thus disgraced himself. It was John Griffin Carlisle, member of congress from the Sixth Kentucky district, and candidate for the seat made vacant by the death of Mr. Beck .- Globe Democrat.

The total circulation of the Youth's Companion is placed at 441,907. The division among the states is as follows: New England states 77,669; middle states, 66,084; southern states, 43,704; western states 193,305; Pacific states and territories, 44,713; news companies and foreign countries, 16,388. The circula tion in Nebraska is 12,657. The best feature of this business is the fact that the paper deserves its popularity. It is the cleanest and brightest publication of the kind produced on the globe,-Ex.

The telegraph yesterday says: "An important deal was made at Lima today, involving nearly \$22,000,600 capital. W. J. Marks, the representative of a wealthy English syndicate, Maj. Geo. H. Sisson, of New York; Gen G. Huss, of Chicago, and B. C. Faurat, of this city are the parties interested. It is the contract for building of 1359 miles of the Mexican International Railroad from Deming, N. M., te Tombolabamqua Bay, on the Pacific Coast. The exact amount involved is \$21,650,000.

SIOUX CITY TO OGDEN. NEW YORK, May 6 .- A contract has been entered into today in this city, by the Wyoming and Pacific Improvement Company, by which \$15,000,000 are to be spent in building a railroad from Sioux City to Ogden, Utah, a distance of 800 miles and Mr. Steacy has been awarded the contract for the work

The Laborer lectures the HERALD about its remarks on the eight hour day. It doesn't matter. The boys will grow older and learn more. The editor of the HERALD has been a laborer some thirtyfive years and he has found that whenever he worked twelve hours a day and got good pay for it, his wages still would not buy quite all he wanted. When HERALD office. Mr. McCarthy has all everybody will cut down his wants or needs to the eight hour basis, he can then cut his work down in proportion.

The advocates of the eight hour system seem to think that there is in nature a yast and inexhaustible reservoir of what men want and that all they have to do is to draw on it. Such is not the case.

A law is presented to these people, a law of nature that is absolute and irrevocable. If a man or set of men draw more to consume or waste than they res tore in production the source of supply will become exhausted and fail. No man from emperor to tranp-no class. from palace to poorhouse-can get more out out of the general fund than they put in without ruining their source of supply | der the right | ye that dazed him so tha and afterwards suffering the penalty. organ of any man or class of men. It enough to be of service. Nothing was advantage at the expense of others. Not McCarthy carries on his face. even a candidate for sheriff.-Lincoln

-187 6t Wildman & Fuller.

THE reporter of the New York World eader in New York cits that used to who resigned after that paper had actrike terror to the leart of Tou many knowledged that his report of the Clevethat he god and a see an it. braves, land interview was incorrect, is out in en Ir. I disbount card in one ber paper, circumsacidly reviewing the interview and version that not only did Grover say dl. and he represented trum as saying, but as

not deal man, but that he explicitly as nied to the public den of what the separate seed in sold from to the part. Mr. Cl-veland wrote with his own him?.

The World cales he averting that 't veland in these separate communicamore and interviews, the lost with the stitut in chief of that paper, extensional g demonstrat he bed said anything to hereported in addition to the sent news that it wrote time it, and alleged that what the equiter and gratue sale set down as his binguage, is what the said reporter utt red himself in the course of the conversation, hence it was compelled to repudiate the reporter's work. It is a pretty quarrel and has finally come down to a question of veracity -State Journal.

THE examination of witnesses in the shameless political murder of Col. Clayton in Arkansas, still continues. The Arkansaw traveler, while trying to imi tate the democratic methods of South so smart as his neighbors and the cloven on Thursday night. hoof is easily uncovered; the t stimon; the murderer was, but it less shown the most outrageous disregard of the law, and the worst and clususies manner of repearing and false counting ever brough to light before. That a man would have the hardingood to stand up and claim seat in in the national legislature obtsined by such open and notorious frauds is but an index of the most dangerous heeded, might threaten eventually the very life of the republic.

Ex-PRESIDENT CLEVEL ND will make his first argument before the supreme court in "A Sewer Case," but it concerns Judge Ramsey this afternoon. New Orleans and has no reference to "The World and Sun case," or to the recent bad smelling disclosures in Tam many Hall.

"Kansas is recovering from her financial bilousness. The bank deposits have increased \$2,500,000 within a year, the total now being \$18,837,860."

The Reporter.

Who works for eighteen hours per day While others sleep and while others play, Reporting conventions without a flaw In favor of the eight-hour law? The reporter,

Who works and sweets on Sunday night And swears 'till his collar gets too tigh! 'Fixing" a sermon he has been tal. ng Upon "The Evils of Sabbath Breastag?" The reporter.

Who sits in an ale house near the hall And for a "schooner" doth londly baw! While he touches up with e udition, A very bad lecture on prohibition? The reporter.

Who says the acte ses are all shams And the actors are a lot of hams, And lanes the performance to the skies, At a g'a .ce from the pretty coubrette's eyes The reporter.

Who writes up the fashions in hat- and book and the very latest styles in suits, To please the dude, his courins and aumis Whi e ne goes around with a hole in his pants The rep reer.

And, who at last, when his race is run. Will hear the welcome words, "Well done; On earth you had neither serip nor land; I ass on to the reporters' stand?"

The remoment. -1 SANK CLARKE in Kansas City Clobe

A Burglar folled.

Yesterday being pay day some of th light fingered gentry th ught to make a goodly haul by calling on section foreman McCarthy at his home opposite the of his men boarding with him, and each man is provided with a key so that he can come in when he chooses; all were in last night at a seasonable hour except | inent young people will occur tonight at Tim McCarthy, who walked up to the front door opened the screen, and before he could get his key in the door it was opened for him, and a burly looking tough shoved a revolver in his face with the remark hands up. Tim grabbed the obtrusive fire arm in one hand and one of the nic st of Plattsmouth's many poited it away from him while with nice girls. Mr. Dickson is to be con the other he grabbed the burglar gratulated on his sensible choice of a by the coat collar and yelled lustily for life partner. The residence is being fithelp. Mr. Con McCarthy came to his as ted out on Marble street, near 6th, where sistance as soon as possible but not until Mr. and Mrs. Dickson will reside Tim had received a staggering blow un the intruder got loose and ran for his As to the laboring men rushing to the life, his partner having preceded him at support of the HERALD, as the laborer a lively pace on the first show of fight. in, to while away the hours, which they ironically requests them to do, it is only Parties up stairs saw the villain fly but did in keeping time to the beautiful necessary to say that this paper is not the were unable to render assistance prompt never asks a man to subscribe for it on missed about the house and no harm the pretense that it will work to his done except the ugly cut which Tim
