**Rock Bluff Notes.**

Preparations are being made to have a Sunday school picnic Saturday the 14th.

Mrs. Wm. Holmes, daughter of James Matthews, has been very sick, but at this writing is thought to be some better.

Rev. Day, of Union, gave us a lecture on the prohibitory amendment question last Saturday night.

Alexander Graves had a horse very badly cut by a barb wire fence last Saturday.

Some pieces of winter wheat have proven such a poor stand that the fields have been replanted in corn.

Wyatt Hutchinson lost 300 young chickens by the high water of Mud creek last Monday night. The water got about two feet in their hen house and yard.

We are glad to see that the HERALD has taken the moral side of the temperance question, instead of the high license, the saloon and the immoral side.

Jodie Sans came back a few days ago from Cheyenne, Wyoming Ter. and other parts of the west where he has been roaming around. He says that wages are as good here and work more plenty than any of the places he got into while he was gone.

Uncle Sam's census taker, Wm. B. Allen is around finding out all about us. And from the great number of questions the enumerators are asking, we should judge that they are doing a great amount of work for little pay. But when the work is once completed, Uncle Sam will know more about himself than he has ever known before.

We have made a practice of recording the precipitation of snow and rainfall for about two years at this place. During the month of April there was only fifteen-sixteenths of an inch rainfall; but during the month of May there was 4 1/2 inches fell. But last Monday night it rained three inches, raising Rock creek higher than it has been since 1883, and six bridges in this neighborhood will have to be repaired. TIM SHAEVER.

**Road Notice.**

To all whom it may concern: The commissioner appointed to locate a road beginning at the southwest corner of section thirteen (13) town eleven (11) range thirteen (13) and running thence east on section line two and one-fourth (2 1/4) miles have reported in favor of the location thereof, and all objections thereto, or claims for damages, must be filed in the county clerk's office on or before noon on the 10th day of July A. D. 1890, or such road will be located without reference thereto. BIRD CRITCHFIELD, County Clerk.

**Attention, "Coffee Coolers" or Men of 1861 to 1865.**

On December 19, 1889, there was organized at Lincoln a State Veteran Association of which I was elected president, and Comrade Work, secretary.

Comrades the time has come to organize in defense of your own rights as you did for the defense of your own country in '61. The young dude of today who was "born with a silver spoon in his mouth" says that you are asking too much and that you will ruin the country. He forgets that when real danger threatened our country, he and his father skulked to the rear while you went to the front. Comrades, the men of this country have told congress just how far they will permit it to go in pension matters. Wall street is against you. The man whose bonds you saved from the waste basket is against you. They tell us "that the people won't stand it." Comrades, the long roll is sounding call you into line. Fall in! fall in! And defend the rights of yourself and family. It is claimed that we are divided among ourselves and that we do not know what we want.

Now that there may be no uncertainty as to how we of Nebraska stand:

I do hereby call a mass meeting of the veterans of '61-'65 to meet in Lincoln on Wednesday, at 2 o'clock p. m. June 25, 1890, to consider such matters as may be of interest to us. That every county may be represented it is requested that the veterans of each county meet at their several county seats at 2 p. m. June 19, and organize a veteran association, electing a president and secretary and appoint at least two delegates to attend the meeting of the state association at Lincoln on the 25th inst.

Do not fail to organize your county as associations. If but two attend the county meeting on the 19th., organize so that there may be some one to correspond with. You can depend on the support of the boys who do not attend.

The organization is not intended to take the place of the grand army of the republic. It is intended to include all honorably discharged soldiers and to advance our own interests and defend our own rights.

Railroad and hotel rates will be published hereafter.

State and county papers please copy.

H. C. RUSSELL,  
Pres. State Veterans' Association.  
Veterans of Cass county will meet at

the G. A. R. hall, Plattsmouth, Thursday June 19th, at 2 o'clock p. m. By order of committee.

**Plattsmouth.**Our town in fame goes far and wide,  
With rustic air she swells with pride,  
Like classic home on hills she stands  
A mistress fair but richer lands.Mid hills and groves and zephyrs oft  
The flowers bloom of fragrance soft;  
Enchanting ground with native wealth,  
Her people move with rosy health.Of business growth we oft confer;  
Our merchants well their business stir;  
The railroad shows for labor pay  
Eight hundred men that work by day.Our church and schools do somewhat lack  
For want of think were fallen back,  
But hope to gain along this line  
As time goes by these means divine.Our city lights of Franklin birth  
Do hang aloft to light the earth,  
To guide our feet in paths of right,  
As we may choose our way by night.Our street car line of public need  
Has passed away and gone to seed;  
Its long felt want, time may repair  
And bring relief for nicker fare.The curse of all that curses be,  
That hanes a pall to hell the key,  
That robs the home and damns the soul,  
The use of rum from counter dote.Gambrens crowned a king by law,  
A Jack in form with schooner paw;  
And lager beer bids thirsty soul  
Come in and quaff at Bacchus' poll.We'll turn away from picture sad  
To home of joy that makes us glad;  
'Tis love that rules the happy home  
In word or thought where 'ere we roam.
