

Second Reunion of Nebraska Soldiers

From Monday's Daily. Comrades: We have obtained the rate of one and one-third (1 1/3) fare for the round trip for our second reunion to be held at Plattsmouth, November 18, 19 and 20, 1890, on the following railroads:

The Burlington & Missouri River; Chicago, Rock Island & Pacific; Chicago, St. Paul, Minneapolis & Omaha; Missouri Pacific; Sioux City & Pacific; Fremont, Elkhorn & Missouri Valley; St. Joe & Grand Island and Union Pacific.

Comrades, when you purchase tickets, don't fail to take a receipt from your local agent, paying full fare to Plattsmouth. This receipt, when endorsed by our association will entitle you to a return ticket home by paying one third (1/3) fare. If you change cars from one road to another, buy a ticket and take a receipt every time you pay a railroad fare. All agents or conductors must give you a receipt when asked for.

We had a pleasant meeting at our first reunion and hope to make this equally as good. Come, every one of you, bring your wife and children and let them enjoy this meeting with us. We will have with us General John McNeil, Governor John M. Thayer, ex-Governor Alvin Saunders, ex-Governor R. W. Furnas, Major Tom Majors, Major Pearman, Col. George Armstrong, Col. W. F. Sapp, ex Senator T. W. Tipton and other leading officers of your old regiments, and last, but not least, many of the high privates from the rear rank. Besides there will be many distinguished representatives of other states and branches of the service who reside in Nebraska and Iowa, that have signified their intention to be present with us on this occasion. Let everyone that can possibly do so, answer to roll call at 9 a. m., the 19th. As we propose to keep up our annual meeting, we would suggest that you come to be prepared to make some definite proposition for the next location of the reunion, as there are a number of places wanting it. Please notify the president of the association at as early a day as possible if you will be with us, and how many of your family. We have secured the following hotel rates: Perkins House, \$1 per day; City Hotel, \$1 per day; Pacific House, \$1 per day; Cottage House, \$1 per day; Hotel Riley, \$2, \$2.50 and \$3.

H. C. McMAKEN, Pres. GEO. V. HALL, Sec'y. Another World-Herald Fake Goes Down. The following from the Lincoln Journal explodes effectually the statement of the Omaha Hypphen, that the German republicans could be hoodwinked, through a league officer and managed by democrats, into voting against L. D. Richards for governor. Here is what they did:

"The German republican members of the personal rights league of the Fifth ward held an enthusiastic meeting last night for the purpose of endorsing the republican state and county tickets and to formulate plans to oppose the adoption of the prohibitory amendment. There were eighty seven representative German citizens present. Henry Rippe was chosen chairman of the meeting and Carl Schmitt secretary. In view of the fact that the state executive committee of the personal rights league had attempted to drag the league into partisan politics by endorsing James E. Boyd for governor, thus endeavoring to make the prohibitory amendment question a political party issue, the German republicans of the Fifth ward were desirous of repudiating the action of the executive committee. They are opposed to prohibition, but they are loyal republicans and desire to go on record as such. The following resolution was adopted:

Resolved. That we, the German republicans of the Fifth ward of the city of Lincoln, hereby repudiate the action of the state executive committee of the personal rights league in endorsing James E. Boyd for governor, and we will not be bound by such action. A vote was then taken on the republican and democratic candidates for governor, which resulted in seventy-eight for Richards and nine for Boyd. This action effectually explodes the erroneous statement that the German republicans would support Boyd. The republican county ticket was then endorsed. A resolution was then adopted pledging those present to oppose the prohibitory amendment.

Although it was a meeting of German republicans, several democrats were present, which accounts for the nine votes Mr. Boyd received.

Mr. and Mrs. John Vondron residing on south Tenth street were the victims of a surprise by their friends and neighbors Saturday evening the occasion being their ninth wedding anniversary and also as an earnest good bye ere they move to their new home on Chicago Avenue. They received many kindly testimonials of esteem from those present.

J. L. One who was there.

A Statement of Fact.

Robert Metteer called at this office Saturday with a copy of the Omaha Bee containing a letter from Lincoln in which Mr. Metteer was severely censured for a purported letter written Gov. Thayer about the pardon of John Polin. His son Ceph Metteer was also slandered, and in proof of Mr. Metteer's having done nothing but what a gentleman would do under the circumstances we append the following: PLATTSMOUTH, Neb., Oct. 25:—To whom it may concern: I hereby state that I presented the petition of John R. Polin to Gov. Thayer for a pardon and heard the letter of Robert Metteer to Gov. Thayer read and I have also read the article in the Omaha Bee of Oct. 20 in regard to said matter and the statements in the Bee in regard to said letter are not true.

ALLEN BEESON. PLATTSMOUTH, Neb., Oct. 25:—I take pleasure in stating, the article appearing in the Omaha Bee of Oct. 20, concerning the Polin and Metteer matter is a gross misstatement of facts. Also Mr. Metteer has been considered a first class citizen. WILLIAM GILMORE.

C. Renwick of Glenwood tried to catch on to the flyer yesterday evening, but partly missed his hold, resulting in a fall that will make him sore for many days.

Taken up. By the undersigned person 2 miles south and 1 mile west of Murray the following property: One red cow with white spots, horns turned down side of her head and is about six years old. Person proving property and paying charges may have same. GEO. LLOYD.

Birthday Party. Master Calvin Atwood arrived at the age of thirteen last Saturday and his mother allowed him to invite a company of his young friends in and a splendid time was had. Refreshments were served and games indulged in until nine o'clock when the party wishing their young host a pleasant good night dispersed. Those present were: Emory Buckner, Lou Smith, Ralph White, Myrtle Levings, Percy Agnew, Jennie Ritchie, Cal Atwood, Bertie Fletcher, Frank Fletcher, Bertie Bennett, Dick Waugh, Kattie Agnew, Oliver Young, "Marry Paterson," Hilt Westcott, Claire Drummond, Ralph Atwood, Sallie Agnew, Clyde Drew, Ethel Dutton and Ray Patterson.

Passed Away. Yesterday about twelve o'clock at the residence of L. D. Bennett, Mrs. Lavina Duke, better known as Grandma Duke, passed peacefully to the great beyond. Her life had been a busy one, yet she always found time to do good. She was one of the first members of the Methodist church in this city. Mrs. Duke, whose maiden name was Sneedecker, was born in Bethany, West Virginia, on July 2, 1802, and on the 14th day of March, 1826, she was married to Shepherd Duke, who died in this city in 1872. She and her husband removed to Ironton, Ohio, where they remained until 1856, when they came West, settling in Plattsmouth in 1857. Mr. Duke was the proprietor of the Platte Valley House up to 1861, when he was elected county treasurer, holding the office for four consecutive terms. The children of Mr. and Mrs. Duke, who are today called upon to mourn the loss of a mother, are John S. Duke, Margaret L. Bennett, Elbert T. Duke and Mrs. R. E. Cooper. Mrs. Duke had made her home with her son-in-law, Capt. Bennett, since the death of her husband. The funeral will occur tomorrow from the Bennett residence at 10 o'clock. The friends of the family are invited.

County Court. From Tuesday's Daily. Letters of administration issued to John M. Jackson, administrator of the estate of John Bringham deceased. Final settlement John A. Henning, guardian Spobr minors. Accounts allowed and decreed accordingly.

A Prominent Citizen Cared. Hen. Allen Beeson, hale and hearty, arrived at the age of 57 last Saturday, and when he went home he found a house full of company and a dinner awaiting him fit for a king. But just before going out to dinner the climax of the surprise was reached by bringing in and presenting Mr. Beeson, by his family and friends, an ornamental and useful cane made of some foreign wood, which will be heartily cherished by the fortunate possessor.

Freight Wreck. A fatal wreck occurred on the Q. at an early hour this morning three miles east of Creston. Two heavy freight trains were going east and for some reason the rear train dashed into the caboose of the forward train derailing several cars and completely demolishing the engine. The engineer and fireman were thought to be killed as their bodies had not been recovered from under the wreck when the flyer passed the scene of the disaster several hours after the wreck occurred. The flyer was 6 hours late on account of it.

District Court.

Isaac B. Miller vs Emma Miller, divorce granted as prayed for.

The case of Isaac Wiles vs The Omaha Southern Ry., is on trial to a jury this afternoon.

The injunction obtained by Theodore Buck vs. the Omaha Southern Railway was dissolved by Judge Field yesterday.

On Saturday the jury in the Todd case was discharged, failing to agree. Two of the jurors held out for \$1000, while the balance wanted from \$1500 to \$1875.

The latest English fad is a walking party which was indulged in by several of Plattsmouth's fashionable young ladies Saturday night. They all carried canes as souvenirs presented by the Misses Gerings with a bow of yellow ribbon neatly fastened to the top of the cane. The trip extended out to Livingston Heights and when the party returned they took supper at the Riley and we suspect there were several good appetites in the crowd. The king walking prize was awarded to Miss Anna Livingston and Miss Amelia Vallery while the booby prize was earned by Miss Pierce and Miss Maggie Sampson. The ladies came in loaded down with beautiful colored leaves and bitter sweets showing they had improved their time by gathering the loveliest herbariums of autumn.

Political Notes. Mr. McClintic is in town today. This will be one of the days that Sherman is not for Lemasters.

Why is it that Lemasters' neighbors put him down as an unreconstructed rebel? He must have given some cause for such an opinion.

Ex-President Hayes was a usurper and a deep dyed villain in the democratic mind only a short time ago; he is now patted on the back and quoted approvingly by Mr. Bryan.

The Dorsey telegram will soon be a reminiscence of what a democrat will do to get into office. It would seem that a premium is offered by the party managers on fraud and forgery, judging from the amount of it indulged in.

The young Mr. Bryan has been gasping for breath since Congressman Connell drew the Mills bill on him. The democratic bill is so inferior to the republican law in every feature that even Mr. Bryan finds it hard to muster up enough gall to defend it.—State Journal.

When Bryan stampeded the crowd at the opera house the other evening, having talked Col. Smythe out of his time, our Col. Connor rushed to the front of the stage and got a part of the audience seated long enough to hear a ten minutes speech from that gentleman. Joe is not good enough for the democrats to elect to office, but he is a mighty handy man to have around to help other fellows in.

The Electric Lamp Company bids fair to start up again in good shape.

Judge Chapman came home today, having finished up the Lincoln term of the District Court.

P. S. Barnes one of Casj county's next representatives in the legislature made the HERALD a pleasant call this morning. Mr. Barnes has made a clean honorable canvas in strong contrast to the methods of some of the democratic opposition.

Col. Sam'l Barker entertained a large crowd with a political speech at the Perkins House last night. As an orator Uncle Sam is a stunner but insists that he must vote for Boyd. Joe Fairfield held him level and bets on the whole republican ticket.

L. G. Todd was giving our people fits for stealing an overcoat of his, and he bought a new one which he wears around town for two or three days. This morning he was in the county clerk's office and spied his coat just where he suddenly remembered he had left it.

The county commissioners were in session today on account of the delayed construction of several county bridges. The contractor appeared, said his lumber had come and he was ready to complete the work at once, which was all that could be asked.

Union Items. P. J. Becker of the B. & M. at your town was down Sunday. C. H. VanWyck drew a large audience Thursday evening at the school building. Over fourteen dollars were raised at the oyster supper Tuesday evening. The proceeds go to buy a dictionary for the school. Vote for John A. Davies for county attorney and go the amendment. NORMAL.

Died.

This morning of malarial fever and other complications, Edgar Tighe, infant son of Mr. and Mrs. John Tighe. The funeral will take place tomorrow at 9 o'clock from the house. The interment will be made at the College Hill Catholic cemetery south of Louisville near Mrs. Tighe's former home.

Grandpa Hayes got a bad fall about a week ago and thought he had seriously sprained his wrist, as it got no better a physician was called and it was found that he had broken one of the wrist bones which was set after a painful operation and Mr. Hayes is now getting along all right.

Pneumonia and Bronchitis carry off One-Third of the Human Race. It is not generally known that Pneumonia and Bronchitis carry off one-third of the human race, but such are the facts, and what is more surprising, both of the above diseases result from neglecting a common ordinary Cold. A Cough should never be neglected. If it is, every time you catch cold you cough harder, and it sticks by you longer. Ballard's Horshound Syrup is the best remedy in the world for Pneumonia, Bronchitis and all Throat and Lung troubles. If you have any Throat trouble, call for Ballard's Horshound Syrup and take no other.

THE FIGURE "9."

The figure 9 in our dates will make a long stay. To man or woman now living will ever date a document without using the figure 9. It stands in the third place in 1890, where it will remain ten years and then move up to second place in 1900, where it will rest for one hundred years.

There is another "9" which has also come to stay. It is unlike the figure 9 in our dates in the respect that it has already moved up to first place, where it will permanently remain. It is called the "No. 9" High Arm Wheeler & Wilson Sewing Machine.

The "No. 9" was endorsed for first place by the experts of Europe at the Paris Exposition of 1889. There, after a severe contest with the leading machines of the world, it was awarded the only Grand Prize given to family sewing machines, all others on exhibit having received lower awards of gold medals, etc. The French Government also recognized its superiority by the decoration of Mr. Nathan Wheeler, President of the company, with the Cross of the Legion of Honor.

The "No. 9" is not an old machine improved upon, but is an entirely new machine, and the Grand Prize at Paris was awarded it as the grandest advance in sewing machine mechanism of the age. Those who buy it can rest assured, there is no other having the very latest and best.
